Letter from the Executive Engineer,
Buckingham Canal Division, to the
Superintending Engineer, 2nd Circle,
No. 1308 dated 2nd September 1895.

I have the honour to forward herewith
an application from one J. Casaralu
Vaide, employed in this division as a
Toll Clerk, asking for exemption from
examination rules in order that he
may become eligible for the post of
a wharf clerk with a salary of Rs 17-8-0
his present pay being Rs 15/-
2. Casaralu Vaide has held his permanent
appointment of Rs 15 in this division from
November 1884, and has thus put in in
that appointment a service of nearly
10 years. He has discharged his work
satisfactorily, and has shown com-
plete fitness for a wharf clerk's place
whenever he has been given the oppor-
tunity of acting in such capacity.

3. The appointment of wharf clerks
on the Canal are not attractive
generally, owing to the necessity of the
incumbent having to live on the Canal
bank.

bank. Passed candidates who take up these appointments are therefore naturally men of inferior capabilities, do not usually show fitness for duties of a semi-executive nature, and invariably try to get a better post immediately an opportunity offers itself. It is, therefore, advantageous to secure the services of men who have proved themselves to be capable, are content to live on the Canal bank, and can manage the numerous and often intractable boatmen with whom they have to deal.

4. As explained above, the applicant has proved his fitness for the post, and being an unpassed man cannot but stick to the appointment. Under these circumstances, I have the honour to recommend that Kasavalu Naidu be specially exempted from the Examination rules.
