Sir

I have the honor to ask if the
Punta leading to the river from the
Innespeta Tollgate could not be removed
to a point further away from this
College. The noise of the Carts and
General processions passing along
it is a constant source of annoyance
to us — quite as much as the toll
bar which should also be placed
beyond the Railway. At present
owing to one Cause or the other our
neighborhood is the scene of con-
tinuous uproar. Cartmen wrangling
with the toll jamasta or belaboring
the bullocks up the ramp at the

Railway Crossing and funeral parties
shattering ones nervous system with
the deafening drum. If the approach
to the river could be moved to the vacant
space just beyond the railway line
on the Dowleswaran road we
should be spared all this. Some
few years ago the District Engineer
proposed to do this and I was
hopeful of its accomplishment
but for some reason unknown
to me the matter fell through.

If you would kindly revive the
project and remove the nuisance
we shall feel deeply indebted.

Yours truly

Sir,

Not having yet been favoured
with a reply to my letter no 935
16-12-99, I have
the honor again to urge the desirability
of removing the toll bar further away
from the neighbourhood of this College
and closing the Penta that skirts a
compound. For the reasons stated
in my letter it is a matter of the
greatest importance to us that these
sources of interruption to our work
should be removed to a suitable — the
distance down the Dowleswaran
road — where also the Penta would ^{run}
much more convenient to the bridge
fields and burning grounds which
are situated some half a mile end
of the College

A glance at the locality will show
at once how much easier it can be
for the bullock carts to enter the work

river being
the

Railway station more directly
opposite their destination, while its
removal would relieve the college of
a very considerable part of the annoyance
we constantly experience from the
noisy thoroughfares by which we are
unfortunately surrounded. I should
deem it a favour if you would
kindly give this matter the earliest
attention you can.

Sir,

With reference to your Endorsement
No. 9890
9.9.95 I have the honour to inform
you that my object in acquiring the
Punta South of the College is to remove the
annoyance caused to us by the Cartmen
and the funeral parties which make
use of the Punta to the brick-kilns and
burning ground. These have been a long
standing source of interruption to our work
and hence the desirability of acquiring
the

the land which will also compensate us in some degree for the loss of a portion of the College Compound taken up by the Railway. Copies of my letters to the Sub Collector on this subject giving the reasons in fuller detail are herewith submitted.

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

In returning Government
Endorsement No. 1762 dated 31st July last, I
have the honour to enclose copy of a letter
from the Principal, Rajahmundry College,
dated 16th instant No. 1431 with the enclosures,
and to state that the removal of the Panta
that skirts the Rajahmundry College Compound
is absolutely necessary to relieve the College
of the annoyance experienced from the im-
mediate neighbourhood of a noisy thorough-
fare. I satisfied myself of the necessity for
this step when I was last at Rajahmundry.

The cost of removing the Punta is estimated at Rs 540, of which the East Coast Railway Company has undertaken to incur the major portion (Rs 340). The amount to be contributed by this Department is therefore Rs 200 which is but a trifle when compared with the benefits expected to be derived. This sum of Rs 200 has already been placed at the Principal's disposal out of the allotment for Petty Construction and Repairs for Government College General, in the Budget Estimate for the current year.

I have the honour to be,
