through the Collector
of Salem.

Sir,

I have the honor to submit
herewith a copy of the resolution of
the Municipal Council passed at its
meeting held on the 22nd August 1895,
and to request that the Government
will be pleased to contribute one
half of the cost (viz Rs 42 per annum)
for entertaining a permanent waterman
to be attached to the Salem Municipal
College on a salary not exceeding
Rs 7 a month, on condition that he
supplies water to both the Municipal
College

College and the Government Training
School, Salem.

2 The Municipal Council has built
a permanent water shed in the
Compound of the Salem College -
and it may be conveniently used
by both the institutions.

3. I understand that the Head Master
Government Training School has
also requested the Inspector of
Schools, Western Circle, to address
Director of Public
the D.P. Instruction, Madras, on
this subject.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 9th October 1895.

No. 10845

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honor to return Government
Endorsement no. 2330 of 1st instant and to recommend
that the request of the Municipal Council,
Salem, for a contribution of Rs 42 per annum
on account of the cost of entertaining a permanent
waterman to be attached to the Municipal
College, Salem, on a salary of Rs 7 per mensem
be sanctioned on condition that the Council
undertake to arrange to supply water to the
Government Training School, Salem, also. The
necessity for a waterman for the latter
institution

institution has more than once been pressed
on my notice, but I have not been able,
owing to want of funds, to entertain the
proposal. The Municipality, it would appear,
has constructed a watershed midway
between the Municipal College, and the
Training School, which are, practically,
in the same compound, and this may
very conveniently be used by both the
institutions. A waterman for the exclusive
use of the Training School would cost
not less than Rs 5 per mensem or Rs 60
per annum and the arrangement proposed
by the Municipality is ^{certainly} ~~entirely~~ more
economical so far as this Department is
concerned. I would strongly recommend
that the proposal be approved. Provision
for this charge will be made in the next
years'

year's budget, to be shortly submitted to
Government. The charge during the current
year may be met from general savings.

I have the honour to be,

Sir,

Your most obedient servant
