May it please your Excellency,
 In obedience to the
 under Secretary's Order No 712 dated 23rd
 September 1894, I a poor Pariah beg to submit
 the following to your Excellency's gracious con-
 sideration and favourable orders.
 1. With a view to undertake the College of Arts
 Culture Studies, I applied to Government
 in April 1894, to be granted a Government
 scholarship and my petition was referred
 to the H. Director of Public Instruction
 for disposal.
 2. The H. Director of Public Instruction, in
 his Proceedings No 8183 dated 31st August 1894,
 informed me that no scholarship was
 then available for award and that my
 application had been submitted to Government.

Also in his
 dated 24th July 1894, the Director
 furnish him with a certificate from the
 Head of the School in which I studied
 trying to my ability to follow the instruction
 given at the College. - This certificate is
 required as I am not a matriculate and
 a view to exempt me from the restriction
 as regards the preliminary Educational
 qualifications for admission into the College.
 4. Wishing to be admitted into the College in
 the present session I applied to the Director
 of Public Instruction again on the 17th of
 last; but I am informed, in reply to my
 petition, by the Principal of the College
 (in his letter No 401 dated 27.6.95), that
 scholarships are not awarded to any one
 has not passed the Matriculation Exam.
 5. As the Government itself has taken
 special interest as regards the Educa-

 caste people, I, a poor Pariah, most
 beg that your Excellency would be
 exempt me, in consideration of my
 disabilities and the hopes led on
 by the Director of Public In-

Instruction, as a special case, from the
Matriculation Examination, to be entered
in the College with a Government scholar.
And for this act of charity and
kindness, I shall, as in duty bound,
ever pray.

I beg to remain,
Your Excellency's most obedient and humble
Pariah Subject.

THE HONORABLE THE CHIEF

SECRETARY TO GOVERNMENT,

SIR,

In returning herewith the endorsement of Government, W^o. 1630, Educational, dated 15th instant, I have the honour to state that the College of Agriculture ordinarily consists of two sets of students - the one possessing the requisite educational qualifications, and in receipt of stipends from Provincial Funds and the other not possessing such qualifications and paying fees for the courses taken. The men of the first class seldom possess any appreciable interest in landed property and generally aspire for Government service on the completion

 persons are often rich and seek admission
 to the College for the acquisition of knowledge.
 The petitioner, I beg to observe, belongs to neither
 of these classes. He has passed the late
 Middle School Examination in the Second
 Class and has not studied beyond the
 Pre-Matriculation Standard, and his family
 owns about four Cawnies of land only. In
 these circumstances the award of one of
 the nine scholarships annually available
 at the College to the petitioner, who is
 unqualified and practically landless, for
 the simple reason that he is a Panchama
 and when there is no dearth of qualified
 candidates will, in my opinion, establish
 a precedent of the most inconvenient
 kind. In this connection I endorse fully

Para 4 a
The pet'r, who is a middle school second class man, & whose family owns some four cawnies of land in Tanjore, applies for a scholarship at the College of Agriculture from the letter read in P.O. 425-Sept 1894 to. 712 it appears that he was offered a free studentship at the college with a promise of a money scholarship "at the earliest opportunity" He could not afford to attend as a free student & as no scholarship was available in 1894 was directed to make a fresh application to the D.P.I. in 1895, it was stated that the question of exempting him from the rule which requires students to be matriculated would be considered then. A half promise was thus given to him; this year, however, when he applied, the D.P.I. told him that scholarships could not be given to unqualified men. He accepts petition Pet'r & the D.P.I. to whom the petition was referred recommends that no scholarship should be given to him, because he is not qualified & practically useless, & as much as there is no dearth of qualified candidates for the nine scholarships annually given to the Senior Class (vide rules 11 & 13 in enclosure to P.O. 605 16-8-92) under that order 2 of these were known open to backward classes as well as Mahomedans

This case might perhaps be sent to the Colli. for his opinion. His guide doubts that Mr. Duncan does not quite like the idea of a Sanath getting into the College but does not like to say so officially. Clarke or Cassel is theoretically in favor of letting into the Agricultural College and should not be practically. The Colli. is the authority most likely to be able to pronounce whether this app'r is bona fide & deserving

A schoolmaster is hardly the man
to send to the Agricultural College

14/10/95.

Apparently he does not want Agri-
cultural knowledge at all & only
hopes to get into the Service. His
being a comparatively well educated
Pariah & the desirability of en-
couraging Pariah Education made me
doubt about the matter, but after
consideration I don't think that this
Schoolmaster who passed the Middle
School exam. in the 2nd class 9 years
ago did he put into the College or that
it wd be any general encouragement
to Pariah Education to do so. On
the other hand to grant a department
for the rules wd not be good for the
College. I don't think they wd be

SIR,

With reference to Government
Memorandum No. 1838, dated 8th August 1895,
I have the honor to report that Mr. V. Israel
therein referred to is a Pariah Christian.
He passed the Middle School Examination in
the 2nd class in 1886 and the School Manage-
ment Examination in 1888 and is now employed
as a teacher on Rs 8 $\frac{1}{2}$ per mensem in the
Lutheran Mission Rev. Mr. Grant's School at
Porairyar. The certificates produced by him
and the testimony of the Porairyar Village
Munsiff show that he is a man of good
conduct and character. The sub collector
reports

reports that he is really helpless, that he is
anxious to undergo training in the Agricultural
College and that he deserves encouragement.
