Letter from the Executive Engineer,  
Buckingham Canal D., to the  
Supt Engineer, Andhra Pradesh, d. 19<sup>th</sup> July  
1895, No 898.

I have the honour to report that  
the En Engineer in charge of Coom  
Improvement Scheme has appointed  
me - M.C. Krishnamachary, a  
Bachelorette in place of S. Venkoba  
Row who vacated the appointment  
on 6<sup>th</sup> July 1895, to take up a permanent  
place in the Revenue Department  
and to request your approval  
for the same.

2. As Krishnamachary has not  
passed the handwriting test, I  
request that sanction to his ap-  
pointment may be accorded  
under G.O. No 2308 W of 12<sup>th</sup>  
Sept 94 and the pay fixed at Rs 15.

Letter from the Executive Engineer,

the Superintending Engineer, 2nd  
Circle, No. 219, dated 16th September  
1895.

In reply to your No. 192, dated  
12th September 1895, I have the honour  
to state that Mr. C. Krishnamachari  
has been through the overseer's class  
at the Civil Engineering College,  
but failed to obtain a certificate,  
is I believe intending to try again  
at the next examination.

As I required a man with a  
knowledge of drawing, the purely  
clerical duties being small, I ap-  
pointed this man and propose with  
the sanction of Government to  
retain him in his present temporary  
post, which probably will not last  
much longer.

For orders  
from the Secy Engr's office it is inferred  
that he took no steps to obtain a passed  
candidate. Submitted that he should be directed  
to replace the man by a passed candidate and  
(they must be easily available in Madras).  
Very pressed up to the date of receipt of this order.  
This will no doubt cause inconvenience to  
the length but P.W.D. officers will continue to  
disregard the rules if they are not enforced.
