CURRENT NO. 1231
CHIEF SECRETARY
18-OCT. 1895
GOVERNMENT OF MADRAS

INDIA OFFICE,

London, the 29th August 1895.

Public (Educational)

No. 69.

To His Excellency the Right Honorable the Governor General of India in Council.

My LORD,—I forward for the informon of Your Excellency in Council an Registrar of London University to India Office, extit from a letter from the Registrar of London University (together with a copy of the regulation therein referred to) on the subject of the fee payable by candidates for the Matriculation Examination of that University who have entered for a previous examination but withdrawn their names or failed to present themselves. A copy of Sir Alfred Croft's letter, referred to by the Registrar, is also closed.

2. I shall be glad if you will cause the necessary instructions to be issued to the Local Governments concerned to prevent further misunderstandings in this matter.

I have the honour to be,

My Lord,

Your Loship's most obedient, humble Servant,
GEORGE HAMILTON.

No. T-1218, dated Darjeeling, the 18th June 1895.

From—SIR ALFRED CROFT, K.C.I.E., Director of Public Instruction, Bengal,
To—The Secretary to the Government of Bengal, General Department.

In continuation of paragraph 3 of my letter No. 2861, dated the 15th June 1895, regarding the Matriculation Examination of the London University held this month in Calcutta, I have the honour to state that of the five candidates named in the margin, of whom a provisional list was submitted to Government with my letter No. 1553, dated the 8th March 1895, only No. 4 appeared at that examination.

1. R. J. Bradley.
2. Surendra Nath Haldar.
3. Krishna Chandra De.
4. Achyutananda Bhattacharjee.
5. Earnest E. Sharp.

Nos. 3 and 5 withdrew their names owing to ill-health, and from Nos. 1 and 2 nothing further was heard after their first provisional application. As all these candidates had failed at previous examinations (Nos. 1, 2 and 3 at the examination of January 1895, and No. 5 at that of June 1894) no fee was demanded from them under rule* (2) of the Rules for admission to the examination.

Extract from letter from University of London, to Under Secretary of State for India, dated 30th July 1895.

Referring to the communication from Calcutta, I note the information respecting the non-appearance of four out of the five proposing candidates for the recent Matriculation Examination. But I would point out that the passage quoted by Sir Alfred Croft, and marked (A) by me in the accompanying Regulations, does not mean, as he supposes, that "no fee" was to have been exacted from the four candidates referred to, but that a half-fee should be paid by

* "If a candidate withdraws his name or fails to present himself at the examination, or fails to pass it, the fee shall not be returned to him, but he shall be allowed to enter for any subsequent Matriculation Examination upon payment, at every such entry, of an additional fee of £1."

them, and others in their position, everime, subsequent to the first, that they enter for the examination. And it wd be well, with the view of preventing inconsiderate and reckless entries, if tlocal authorities would require candidates to lodge with them the fee or half-fees the case may be) upon first giving notice. Should a candidate then, upqust grounds, be obliged to withdraw not less than a month before the examinan, I would, on representation of the case, authorise the return of his deposit.

Regulations Matriculation.—Eve candidate entering for the Matriculation Examination for the first time must pa fee of Two Pounds to the Registrar. If a candidate withdraws his name, orils to present himself at the examination, or fails to pass it, the Fee shall not be turned to him, but he shall be allowed to enter for any subsequent Matriculation examination upon payment, at every such entry, of an additional Fee of One Pnd, provided that he comply with the Regulations in the preceding paragra
