OCTOBER.

Privilege Leave.

Agreeing with the Accountant-General in considering that the time spent by the inspecting schoolmaster, Vinukonda Sub-range, Kistna district, in undergoing training in the Government school at Rajahmundry, is an interruption of duty entailing the forfeiture of all claim to the — earned by him before he entered the training school.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From J. N. ATKINSON, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Masulipatam, 18th May 1895, Ref. on C. No. 1091—D.B. of 1894.

A. Ramayya, the inspecting schoolmaster, Vinukonda Sub-range, applied for two months' privilege leave from 13th July to 12th September 1894.

2. The Treasury Deputy Collector states that the applicant having enjoyed leave on loss of pay for a month from 18th December 1892 to 18th January 1893 is not entitled to the two months' privilege leave applied for by him.

3. The inspecting schoolmaster was under training in the Government Training School at Rajahmundry from 27th June 1892 to 10th May 1893. He explains that during this period he was, under Article 39, Section VI, of the Madras Educational rules, granted by the headmaster of the school two months' leave, one month without loss and the other month on loss of stipend, although he was then entitled to three months' privilege leave, and requests that this leave on loss of stipend may not be considered to affect his title to the privilege leave earned by him as inspecting schoolmaster.

4. The Treasury Deputy Collector says that the sanction of the Government will have to be applied for on the subject, as the nature of the leave enjoyed for one month on loss of stipend by the inspecting schoolmaster during the period of his training cannot be definitely specified.

5. I have therefore the honour to request that Government may be pleased to issue instructions as to whether leave on loss of stipend granted to masters under training by the headmaster of the training schools under the Educational rules will affect the privilege leave they are entitled to before they are admitted into the training school.

No. 805.

Referred to the Director of Public Instruction for remarks.

(By order.)

FORT ST. GEORGE,
13th June 1895.

(Signed) C. G. TODHUNTER,
Ag. Assistant Secretary.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th August 1895, No. 8533.

I have the honour, in returning the paper referred to me under endorsement, No. 805, dated 13th June 1895, to state that the leave on loss of stipend granted to masters under training should not be made to affect the privilege leave earned by them before their entry into the training school.

2. Under Article 449 of the Civil Service Regulations, subordinates in Government employ are treated, while under training, as absent from their appointments on leave without allowances, and the period of training cannot therefore count for privilege leave. But the period is counted for pension and it would be hard to consider the period as an interruption to duty for the purposes of privilege leave earned before the period.

No. 1203.

Referred to the Accountant-General for remarks.

(By order.)

FORT ST. GEORGE,
26th August 1895.(Signed) W. FRANCIS,
Ag. Under Secretary.

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 24th September 1895, No. 295-L.F.D.

With reference to your endorsement, No. 1203, dated the 26th August 1895, referring to me for remarks letter from the President, District Board, Kistna, and the further correspondence connected therewith, enquiring whether leave on loss of stipend granted to masters under training will affect the privilege leave they were entitled to before they were admitted into the training school, I have the honour to state that under Article 449 of the Civil Service Regulations the time spent under training should be regarded as absence on leave without allowances, and as such it is an interruption of duty within the meaning of Article 277 of Civil Service Regulations. The inspecting schoolmaster in question does not therefore appear to be eligible for privilege leave earned before he entered the training school.

ORDER—No. 1902 L., Local and Municipal, dated 12th October 1895.

The remarks of the Accountant-General, in which the Government concurs, will be communicated to the President, District Board, Kistna.
