Current No. 124

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 14th October 1895.

No. 11054

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In its order no. 878^{Educational} dated 17th November 1894, ~~Educational~~ Government was pleased to sanction a grant of Rs 2,264 towards the cost of Physical Science apparatus for the Madras Christian College. The Council of the College now finds that the apparatus already indented for is not sufficient for the proper equipment of the Physical Science laboratory and has accordingly proposed to purchase the apparatus mentioned in the supplemental list submitted herewith. The Bursar of the College estimates the cost of this additional apparatus

apparatus at £125 which is equivalent to about Rs 2264 at 1 sh 1/4 d per Rupee. I consider that the additional apparatus is necessary for efficient instruction in Physical Science, and therefore I have the honour to recommend that a grant not exceeding Rs 1132 be sanctioned towards the cost.

2. The grant may be paid when funds are available and after the submission of the necessary vouchers. Payment of grants amounting to Rs 4,800 has been authorized up to date, out of the current year's budget allotment of Rs 9,000 for furniture and other special grants.

I have the honour to be,

Sir,

Your most obedient servant,

J. Driscoll
