Home Department Circular No. 5-Education, dated the 25th March 1895, and the replies of Local Governments and Administrations thereto.

CHIEF SECRETARY
24 OCT. 1895
GOVERNMENT OF MADRAS

RESOLUTION.

IN the Circular of the 25th March 1895, it was stated that Mr. Nash had suggested in paragraph 259 of his Report on the Progress of Education in India, 1887-88 to 1891-92, that columns should be added to General Tables III and IV appended to the Annual Provincial Educational Reports to show the attendance and expenditure in boarding establishments, but that while the Government of India were disposed to think that the information should be furnished they considered that it would be more convenient to give it in a separate Table. The draft of a Statement, in two parts, was circulated, and the opinions of Local Governments and Administrations were invited thereon.

2. Certain difficulties incident to the form of statement circulated have been pointed out in the replies received: the principal one being that the same boarding-house sometimes contains students attending institutions of different classes. The Bengal Government have submitted a form drafted by the Director of Public Instruction, Bengal, which appears free from the objections taken to the form circulated by the Government of India, while it will sufficiently set forth the information desired by the Governor General in Council. His Excellency in Council has accordingly decided that the statement (in the form appended to this Resolution) should be attached to future Educational Reports, beginning with that for 1895-96. A separate return in the same form should be given of boarding establishments for females wherever such exist. The new Table should be numbered VIII and printed after the existing tables. It is not considered necessary to include in the return boarding-houses maintained by Native States.

ORDER.—Ordered that a copy of this Resolution be forwarded to all Local Governments and Administrations for information and guidance.
