To, The Honble the Chief Secretary
to Government.

Sir,

In my letter to Government,
No 6348, of 9th June/93, I requested
permission for the preparation
of plans & estimates for improve-
ments to the Government girls'
school-house at Namakkal,
& the Public Works Department
was directed in G.O., No. 4358
27.6.93, to
prepare the necessary plan and
estimates. The Superintending
Engineer, however, reported to me
in October/93 that, considering
the smallness of the site, it
was impossible to effect any
improvements to the existing
building so as to provide accommodation

for the 150 pupils, whom it was intended to accommodate & that it would be necessary to construct an entirely new building on a different site. Mr. Shown, accordingly, put himself in communication with the Collector of Salem and requested him to arrange to select a proper site in consultation with the Superintending Engineer. Two sites were first selected, but both of them had subsequently to be abandoned as unsuitable. The Collector of Salem finally reported to me in June last that a site measuring 20 Cents & situated to the south of the District Munsiff's Court had been selected, & that the cost of acquiring it under the Land-Acquisition Act would amount

to Rs. 240.

2. I then requested the Superintending Engineer to furnish me with information as to the probable cost of constructing a school house similar in design to the one proposed to be constructed for the Girls' School at Dharmapuri (G.O. No. 86 R. Edl. dt. 7-95) but capable of accommodating 150 pupils. He now reports that the approximate cost of such a building will be Rs. 5000/.

3. I have, accordingly, the honour to request that the P.D. may be instructed to prepare the necessary plans & estimates. A receipt of the orders of Government will be taken for the execution of the site above referred.

I have, Sir,
Yours faithfully,
