PUBLIC INSTRUCTION,

Madras, 30th October 1895.

No. 11582

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In my letter to Government
No. 6348, dated, 9th June 1893, I requested sanction
for the preparation of plans and estimates for
improvements to the Government Girls' School house
at Namakkal and the Public Works Department
was directed in G.O. No. 435, Educational, dated
27th June 1893 to prepare the necessary plans and
estimates. The Superintending Engineer, however,
reported to me in October 1893 that, considering
the smallness of the site, it was impossible to
effect any improvements to the existing building
so as to provide accommodation for the 150 pupils,
whom it was intended to accommodate, and
that

entirely new building on a different site. Mr. Moore, accordingly, put himself in communication with the Collector of Salem and requested him to arrange to select a proper site in consultation with the Executive Engineer. Two sites were first selected, but both of them had subsequently to be abandoned as unsuitable. The Collector of Salem finally reported to me in June last that a site measuring 20 cents and situated to the south of the District Munsiff's Court had been selected and that the cost of acquiring it under the Land-Acquisition Act would amount to Rs 240.

2. I then requested the Superintending Engineer to furnish me with information as to the probable cost of constructing a school house similar in design to the one proposed to be constructed for the Girls' School at Dharmapur (G.O. No. 86 R, Educational, dated, 6th July 1895) but capable of

of accommodating 150 pupils. He now reports that the approximate cost of such a building will be Rs 5000.

3. I have accordingly the honour to request that the P.W.D may be instructed to prepare the necessary plans and estimates. On receipt of the orders of Government, steps will be taken for the acquisition of the site above referred to.

I have the honour to be,

Sir,

Your most obedient servant,

L. Durian

Director of Public Instruction
