See
With reference to your no. 969 of 7.10.95 I have the honour to point out that the General Education Dept passed by the former Mysore Medical pupils therein named is not sufficient to render them eligible for admission into the Hospital Assistant department of this College. They have not passed the Matriculation Examination which is now the standard of admission. They can remain at College only with the sanction of the Director of Public Instruction, Madras. I would therefore suggest your addressing that officer for the necessary sanction giving full particulars regarding these pupils.

In the meantime they have been permitted to go on with their studies, pending sanction.
