Sir,

With reference to your letter of the 16 August, No. 2878, I have the honour, by direction, to state that, as Mr. Letang does no possess a certificate from the Engineering Colleg he does not appear to be eligible for promotion under the rules now in force.

The only doubt that arises in this case, is whether G. O. No. 482, Educationa dated 28 July 1886, can be considered to hav barred Mr. Letang's promotion before the new rules came into force on the 1st July 18 It is true, the order appears to be general in its application, but it may well be doub whether it was intended to apply to appointme

Unfortunately in April 88' owing to the General Reduction of Scale my pay was reduced to Rs 15. Maltby at Kistna without any remuneration, Considering my usefulness promoted to Rs 30 in April 1890 and was recommended to the Survey Supt. for Confirmation, which was not done on the ground that I was an unpassed Candidate. In Consequence I was reverted to my former pay Rs 20 which at least I was not lucky enough to hold; for reduction as per G.O. No 122 of 17-2-91 pushed me down a Second time as per (L 68 Civil Service regulation foot note) to a Clerkship on Rs 15 In apl 1891. In 1889 Some officials of the Survey Dept were recommended for exemption from the operation of the examination rules taking 10 years Service as the minimum qualification for being exempted. I lost my Chance even then not because that I was then unworthy of such a Concession being shewn, but my Service fell Short of the minimum. I was a Draftsman on Rs 30 in Cuddapah. North Arcot as well as in Madras Conservator's office Central Circle, and at present I am a Temporary Draftsman on Rs 30 in Kurnool Forest Dept though fully acquainted with Draftsman duties I being an unpassed Candidate failed to Secure till now a permanent posting in a higher pay.

In Consideration of my past 11 years Service and the professional knowledge more than any thing else which the Draftsman's place requires I beg that my Case may be Considered favourably and orders be passed exempting me from the operation of examination rules and even restricting my prospects to the Survey and Forest Departments

For this I Shall ever pray,

To

His Excellency the Governor in Council,

Fort Saint George,

Through the Superintendent, Madras Survey.

The humble Memorial of A. Gabell,
Deputy Surveyor No. IV Party,
Madras Survey.

Respectfully sheweth,

That Your Excellency's humble Memorialist first entered the Survey Department in 1875 as Assistant Draughtsman on a salary of Rs. 7 when the Department was not subject to any strict rules as regards the educational qualifications of its employees, but on the other hand held out hopes to them as can be seen from the G. O. No. 299 dated 10—2—1863 which distinctly states that surveyors, draughtsmen and lithographers are exempted from passing examinations.

2. That in appreciation of his hard and efficient work in the Department, his Official Superiors were kind enough to promote him from 7 to 10, 10 to 15, 15 to 20, 20 to 30 Rs. of which he is a recipient for the past 12 years and that so far as he knew this promotion of his met with no objection either from the Superintendent or from the Accountant General which fact in itself proves that the examination rules passed subsequent to his first appointment and promotion to 20 Rs. as a Deputy Surveyor were considered to be not applicable to him.

3. That when, he was promoted in the same grade of Deputy Surveyor on a salary of Rs. 40, from 40 to 60 to his great astonishment and disappointment he learnt that his promotion was cancelled by the Superintendent and when he petitioned to the Superintendent praying that the order cancelling his promotion might be reconsidered, he was informed that he was not eligible for promotion *since he had neither passed any examination nor obtained any exemption.*

4. That this order came as a death blow to all his future hopes of promotion, for till then he had not even the remotest idea that he would be required either to pass any examination (as the G. O. No. 299 dated 10—2—1863, which was in force when he was first employed, clearly states that surveyors, draughtsmen &c. need not pass any

BACK PAPER, NO.

examination) or to obtain exemption (as G. O. No. 2515 dated 20—4—1889 cancelling the G. O. dated 10—2—1863 cannot justly be applied to him, as it was passed long after his entertainment in the department and was not said to have any retrospective effect. Also, the Fort Saint George Gazette notification of May 1894 is not at all applicable to him as can be seen from note 1 to the said notification).

5. That Your Excellency's humble Memorialist already counts nearly 20 years' service during which he worked very hard, having undergone many a hardship when on field work, in order to win the good will of his superiors and qualify himself for higher grades in the service, and the circumstances that Messrs. E. M. Baber and C. W. Martin Deputy Superintendents then in charge of No. II Party Bellary promoted him from Rs. 30 to 40 and recommended him in 1892 and 1893 to the place of a Head Surveyor on Rs. 60, amply testifies to his fitness for promotion.

6. That after having spent almost the best part of his life in this department, on which alone he had centered all his future prospects, he should be given to understand that he is not eligible for further promotion, is really a hardship which he can hardly find words to express; that all his hopes of future promotion should thus be entirely blasted by the order of the Superintendent and that too at an age which perhaps makes it next to impossible for him to seek employment elsewhere is a most painful thing which passes beyond all human powers of expression.

7. That therefore Your Excellency's humble Memorialist humbly prays that Your Excellency may be graciously pleased, on a kind perusal and consideration of this humble memorial, to cancel the order of the Superintendent and confirm him in the place to which he has been promoted; or exempt him from passing any examination and pronounce him eligible for promotion, if after kindly considering the facts humbly set forth herein Your Excellency be of opinion that the new examination rules may be applied to him.

And Your Excellency's humble Memorialist, as in duty bound, will ever pray.

Mangalore,
31st August 1895.

SIR,

In Continuation of my letter No: 127/G, dated 14 September /95, I have the honor to forward 8 Memorials from Survey Subordinates praying for exemption from the Examination Rules. I do not support these Memorials as they are not favorably endorsed by the Officers under whom the Memorialists are Serving. Even if the men were exempted from the Examination Rules, it is probable that they would not obtain promotion.

I have the honor to be
Sir
Your most obedient Servant
