EDUCATIONAL DEPARTMENT.

Read—again the following papers :—

G.O., Mis. No. 896, Educational, dated 23rd November 1894.

Read—the following papers :—

From the Rev. E. T. BEATTY, Honorary Secretary, Waltair Orphanage, to the Chief Secretary to Government, dated Waltair, 13th August 1894.

With reference to the G.O. No. 482, dated 29th June 1894, concerning the Waltair Orphanage, I have the honour to submit, for the approval of Government, the following suggestion regarding the girl Elizabeth Evers whose age prevents her being taken in by any institution.

The lady medical practitioner in this station, Miss D'Prager, has offered to teach her nursing and midwifery, &c., if money can be provided for her maintenance. In from two to three years the girl should be well able to earn her own livelihood.

I would therefore propose that out of the proceeds of the sale of building and site likely to exceed Rs. 15,000 a sum of Rs. 500 be put on one side for the upkeep of this girl.

This sum will be sufficient to board and clothe the girl for three years.

Forwarded for the favourable consideration of Government. The sum is a small one and should set the girl up for life.

Vizianagram, (Signed) F. D'A. O. WOLFE-MURRAY,

No. 1857.

The Collector is requested to report whether the case of Elizabeth Evers referred to in the Rev. E. T. Beatty's letter, dated 13th August 1894, is the only one presenting any difficulty and to explain the arrangements which have been made in regard to the other children mentioned in G.O., No. 482, Educational, dated 29th June 1894.

Chief Secretary.

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam District, to the Chief Secretary to Government, dated 17th October 1894, Dis. No. 1786.

In reply to your memorandum No. 1857 of the 14th ultimo, I have the honour to state that the case of Elizabeth Evers is the only one presenting any real difficulty, and I submit that it can be got over if the proposals made in the papers referred to in the memorandum are sanctioned.

2. As to the last part of the Government order under reference, I beg to report that a boy named John Dickson was sent to the Lawrence Asylum, Ootacamund, but he has not been taken into it as yet. The Honorary Secretary writes to say that he is in correspondence with the Principal of the Asylum and that he expects that the boy will be admitted at no distant date. Six children (three boys and three girls) were removed to the Civil Orphan Asylum, Madras, in August last. The remaining children have been claimed by their parents or guardians.

3. The Secretary's letter of the 13th August last sent with the memorandum quoted above is returned herewith as directed.

Order—Mis. No. 896, Educational, dated 23rd November 1894.

The Rev. E. T. Beatty's proposal regarding Elizabeth Evers is sanctioned.

G.O., No. 489, Educational, dated 12th June 1895.

Read—the following papers :—

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam District, to the Chief Secretary to Government, dated 17th April 1895, R.C. No. 5644.

With reference to G.O., No. 482, dated 29th June 1894, and in continuation of my telegram dated 4th instant, I have the honour to report that the site occupied by the Waltair Orphan Asylum, together with the buildings situated thereon, was sold by me on 4th April for the sum of Rs. 6,000.

* * * * *

3. For the buildings in my letter of 14th January, R.C. No. 5644, I stated that I had an offer of Rs. 5,000. The offerer in March last reduced his offer to Rs. 4,000, and another applicant for the site since offered only Rs. 4,200. Attempts at auction completely failed. This Rs. 4,200 seemed to be far below the value. I may say that there is a likelihood of a hotel being built on the site, as this place may become the halting station on the direct route between England and Rangoon.

4. I therefore wrote to a coast firm suggesting to them the desirability of acquiring the land as a profitable speculation, and asked if they would give Rs. 5,000. They replied they would. I then asked for their highest price. The offerer of the Rs. 4,200 asked me to let him know of all higher offers, which I did, and finally I disposed of it to him at the price he said he was willing to give, viz., Rs. 6,000. The sale-proceeds were remitted to the treasury on the 6th instant.

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam, District, to the Chief Secretary to Government, dated 3rd May 1895, R.C. No. 1556.

As directed in G.O., No. 277, dated 10th April 1895, I have the honour to report on the sale of the Waltair Orphanage buildings. In my letter, R.C. No. 5644, dated 17th April 1895, I have already reported that the asylum site and buildings were disposed of for Rs. 6,000 on 4th April. Considering the rise in price of all lands in the town of late, this is by no means a large price, and the purchaser is extremely well satisfied with his bargain.

2. By the year 1857 there were three buildings belonging to the orphanage purchased from subscriptions raised by the chaplain—*vide* paragraph 2 of Rev. Mr. Griffith's letter to the Inspector of Schools, printed in Extract Minutes of Consultation, dated 19th August 1857, No. 1165. These buildings were sold and their sale-proceeds, amounting to Rs. 8,600, were at the disposal of the Orphanage Committee at the time—*vide* paragraph 1 of G.O., No. 43, dated 29th October 1861. This year, *i.e.*, in 1861, the committee applied for a grant of Rs. 4,480 towards the erection of new buildings for the asylum, but the Government in the Government Order quoted above sanctioned only Rs. 480. This new building never however appears to have been erected; but the present buildings were purchased for Rs. 5,200 apparently out of the funds at the disposal of the committee—*vide* paragraph I (2) of Mr. Carmichael's letter, No. 457, dated 7th July 1863, printed in G.O., No. 307, dated 3rd December 1863. From this it will be seen that Government contributed in no way to the cost of either of the present buildings or of the origiual buildings sold in 1861 or thereabouts, though, as appears below, Government has expended many thousands of rupees in the upkeep of the institution.

3. In 1854 Government was pleased to give a grant of Rs. 1,000 in aid of the institution. In 1858 Government sanctioned an annual grant of double the amount of private subscriptions—*vide* paragraph 2 of Extract Minutes of Consultation, dated 8th June 1858, No. 697. The subscriptions were not confined only to the Europeans and Eurasians. The zamindars of the district contributed very liberally in aid of this institution; but for this help and the liberal aid granted by Government, the institution would have collapsed long ago. I must also remark here that the Government contribution in some years was so high as Rs. 6,319 (*vide* G.O., No. 292, dated 26th September 1870), although the subscriptions were so low in some years as Rs. 95 a month—*vide* paragraph 3 of G.O., No. 623, dated 3rd May 1861.

A

4. The land and buildings now sold fetched Rs. 6,000 and furniture and other effects Rs. 537–12–0, and these two sums were remitted to my treasury. To this amount must be debited Rs. 500 sanctioned in G.O., No. 896, dated 23rd November 1894, for the maintenance of Elizabeth Evers, one of the former inmates of the asylum, and Rs. 600 on account of the pension of Rs. 3 a month sanctioned in G.O., No. 187, dated 1st March 1895, to the late peon of the asylum. The latter figure is probably sufficient to meet the pension as it can fetch an interest equal to the pension sanctioned at the rate of 6 per cent. per annum. Deducting these two sums, there remains a balance of Rs. 5,437–12–0 available for the maintenance of the six orphans transferred to the Civil Orphan Asylum, Madras, in August 1894, and of the orphan boy transferred to the Lawrence Asylum, Ootacamund, in November 1894. The rules of the Civil Orphan Asylum or of the Lawrence Asylum are not known here. Considering the ages and the circumstances of the children transferred, the chaplain and the Honorary Secretary of the late Orphan Asylum here considers that the boys will remain quite eight years longer in the asylum and the girls until they are either married or have found work of some sort, such as teachers or nurses. Basing my calculations on these principles, I think a sum of Rs. 9,975, or Rs. 4,537–4–0 more than the balance shown above, will be required for the maintenance of these children as shown in the enclosed statement. From this it will be seen that the Government has charged itself with the maintenance of these orphans at a considerable loss and not at a profit. I am unable as yet to submit an absolutely correct balance sheet. I saw the Secretary Mr. Beatty this morning. He says it is impossible for him to send in the balance sheet until ten days hence. I therefore do not delay this report and will send in the balance sheet as soon as I receive it.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 13th May 1895, No. 1196.

With reference to memorandum, No. 920, dated the 27th April 1895, inquiring whether a separate account may be maintained on account of the late orphan asylum at Waltair, I have the honour to observe that the Government having in G.O., No. 482, Educational, dated 29th June 1894, charged itself with the maintenance of the inmates of the orphanage and of the other dependants on it, intend, I presume, to appropriate the balance which will be finally left unspent out of the assets of the institution after all *the* legitimate claims have been satisfied. If so, I would suggest that the receipts from the asylum may from the beginning be conveniently treated as those of Government and credited in a distinct entry "Waltair Asylum receipts" under the head XXV Miscellaneous—Contributions. As to the charges, that for the maintenance of Elizabeth Evers (the sanction for which has not yet been communicated to this office) and that for the pension of peon S. Kamayya may be debited to "Waltair Asylum charges" under the head 32. Miscellaneous—Donations for Charitable purposes," while that for the six children transferred to the Civil Orphan Asylum at Madras may be debited to that asylum in a distinct entry "Additional grant on account of Waltair Asylum" under the same major and minor heads. Whenever a balanced account is required it will only be necessary to bring together all the figures under the heads mentioned and to make a calculation on account of interest.

Order—No. 489, Educational, dated 12th June 1895.

Recorded.

2. The Accountant-General will be requested to maintain a separate account showing the receipts and charges on account of the late Waltair Orphan Asylum. A balance sheet should be submitted once a year for the information of Government.

3. Copy of G.O., No. 896, dated 23rd November 1894, will now be communicated to the Accountant-General.

With reference to the latter part of this office letter, R.C. No. 1556, dated 3rd May last, I have the honour to submit herewith a correct balance sheet prepared from the accounts furnished by Rev. E. T. Beatty, late Secretary of the Asylum, showing the receipts and charges of the orphan asylum at Waltair from 1st April 1894 to 31st May 1895. From this it will be seen that the opening balance on 1st April 1894 was Rs. 3,586–9–4 and the receipts amounted to Rs. 7,891–1–9, making a total of Rs. 11,477–11–1. Of this Rs. 2,938–13–11 were spent during the year, leaving a balance of Rs. 8,538–13–2 which was remitted to the huzur treasury. Deducting from this Rs. 600 intended to cover the pension payable to the late asylum peon, the actual balance will be Rs. 7,938–13–2 or Rs. 2,036 less than the amount (Rs. 9,975) required for the future maintenance of the orphans with which the Government has charged itself.

FOR ORDERS

With C.No.940 the Collr. of Vizag submits a statement of receipts and charges of the Waltair Orphanage from 1st April 1894 to 31st May 1895. From this it will be seen that the balance deposited in the Huzur Treasury after paying a gratuity of Rs.500 to Elizabeth Evers is Rs,8,588-13-3. It ~~is~~ has now to be calculated whether this sum will suffice to maintain the six children transferred to the Civil Orphan Asylum and to pay the pension of Rs.3/- sanctioned for peon Kannayya. The present value of the pension sanctioned for the peon, according to the Hon.Mr.Bliss, is a little over Rs.300, and if this sum is deducted from the balance, there remains a ~~little over~~ about Rs.8300 to meet the charge of maintaining six children at the C.O.A.* No limit is fixed in the C.O.A. rules as to the age at which an inmate must leave the asylum. Data are not available upon which to calculate the age at which either girls or boys ordinarily leave the

Orphanage but

the ~~school~~ asylum and it is therefore necessary to make some arbitrary assumption as to this point. The Collector of Vizag. assumes that girls would remain in the asylum until the age of 20 and boys until 18. The ages of the six orphans are given in the enclosure to the Collector's letter marked with red tape in G.O.d./ 12th June 1895, No.489. and the cost of their maintenance is calculated on this hypothesis at the rate of Rs.15 per mensem, for which the Directors of the C.O.A. have expressed their ~~will~~ readiness to provide for them, vide G.O. d./ 29th June 1894, No.482. Excluding John Dickson who has gone to the Lawrence Asylum, the cost of maintain~~ing~~enance amounts to Rs.8355 which slightly exceeds the balance available As however interest will presumably be drawn upon this, there is little doubt that there will be ample funds to meet the necessary charges. In the notes in orders in G.O. d./ 12th June 1895, No.489, information was desired as to the length of time during which the C.O.A. would keep the orphans sent there and as to the risks on account of mortality and marriage by which the period of the orphans' stay in the Asylum is liable to be reduced. As has already been remarked, the Asylum rules contain no age limit and the Annual Reports of recent years do not furnish information as to the age of the pupils discharged during each year. The risk of mortality is apparently exceedingly slight. Page 15 of G.O.d./ 26th August 1886, No.555, shows that during the ten years 1875-84 only one girl died, while 91 were removed from the Asylum. Similarly during the period 1876-84, 4 boys died while 132 left the Asylum . Para 31 of the same report, page 14, shows that boys ~~actua~~ occasionally remain as ~~an~~ inmates of the Asylum up to 19 years of age and girls up to 20.

Yes – the "present value" of the payments is much less JS

There is however a practical limit JS

It seems probable that the Collector's estimate of the leaving age at 18 in the case of boys may be approximately correct, but from para. 32 of the report just quoted girls would appear as a general rule to leave the Asylum at or before ~~their seventeenth year~~ 17. If this be the case, then the cost of maintaining the 3 girls would be reduced by Rs.1620 and the total cost of maintaining the 6 boys and girls would fall from Rs.8355 to Rs.6735, while it is ~~possible~~ probable that a still further reduction

might

might accrue from the apprenticeship of some boys at an earlier age than 18. There seems therefore on the whole very little doubt that Govt. will make a profit out of the balance of the Waltair Orphan Asylum and it is for consideration in what manner any surplus which may accrue should be utilized.

There is none
JS

It was suggested in the note ~~in~~ for orders in G.O.d. / 13th June 1895, No.489, that the whole proceeds resulting from the balance of the Waltair Asylum should be credited to the endowment fund of the C.O.A., but the Hon. Mr. Grose doubted whether the trust fund of the C.O.A. could legally take over this amount subject to the liability of paying the pension of the Waltair Asylum peon.

H.E. The Governor suggested the possibility of "getting a fresh "supply of orphans from Waltair to work "off any balance which might accrue."

It is impossible to say what surplus there will be, but there is very little doubt that there will be some surplus. It is submitted that the most suitable plan would be to invest the present balance in Govt. securities and postpone any decision as to what should be done with the surplus until the date at which the last of the six orphans has left the C.O.A. It will be much easier to decide to what use to put it, when the exact amount is known. This would form what might be called the Waltair Orphanage Endowment fund and the Accountant-General might be directed to continue keeping separate accounts until all charges on account of the fund have ceased, rendering yearly balance sheets for the information of Govt.

In C.No.1084 the Accountant-General submits his first balance sheet. It does not show the sale proceeds of the buildings and two other items which appear in the Collr's statement, all of which were credited in the treasury subsequent to the 31st of March. The Accountant-General has further incorrectly debited the grant-in-aid of Rs.583 paid to the Orphanage against the fund realized by the closing of it. This was a free gift ~~of~~ from Govt. and should not have been taken into account.

My dear Mr Harrison,

Reference ~~In connection with~~ the late Waltair Orphan Asylum & your letter No. 2303 dated 28.8.95, The Govt considers that the most suitable plan of managing the funds belonging to the Asylum would be to constitute a Waltair Orphanage Endowment Fund by investing the money realized by the sale of the Orphanage buildings &c in Govt securities, and to meet the future expenses maintenance of the orphans with ~~charges~~ on account of the ~~Asylum~~ which it has charged itself from the interest derived from the securities or from the sale proceeds ~~and by selling out~~ of some ~~as much~~ of them, as may be found necessary from time to time. Will you kindly say whether there is any account objection to this proposal:

My dear Mr. Price,

Yours relating to Waltair Orphan

There is no account objection to what Government propose. In these cases two courses are open - that desired by Government and (2) the incorporation of the transactions as those of Government in my books. On the assumption that Government intend to resume the balance when the orphans attain majority. I advocated and still prefer the last. The matter stands thus. Read—the following papers :—

From the Rev. E. T. BEATTY, Honorary Secretary, Waltair Orphanage, to the Chief Secretary to Government, dated Waltair, 13th August 1894.

With reference to the G.O. No. 482, dated 29th June 1894, concerning the Waltair Orphanage, I have the honour to submit, for the approval of Government, the following suggestion regarding the girl Elizabeth Evers whose age prevents her being taken in by any institution.

The lady medical practitioner in this station, Miss D'Prager, has offered to teach her nursing and midwifery, &c., if money can be provided for her maintenance. In from two to three years the girl should be well able to earn her own livelihood.

I would therefore propose that out of the proceeds of the sale of building and site likely to exceed Rs. 15,000 a sum of Rs. 500 be put on one side for the upkeep of this girl.

This sum will be sufficient to board and clothe the girl for three years.

Forwarded for the favourable consideration of Government. The sum is a small one and should set the girl up for life.

No. 1857.

The Collector is requested to report whether the case of Elizabeth Evers referred to in the Rev. E. T. Beatty's letter, dated 13th August 1894, is the only one presenting any difficulty and to explain the arrangements which have been made in regard to the other children mentioned in G.O., No. 482, Educational, dated 29th June 1894.

J. F. PIRCE,
Chief Secretary.

14th September 1894.

To the Collector of Vizagapatam.

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam District, to the Chief Secretary to Government, dated 17th October 1894, Dis. No. 1786.

In reply to your memorandum No. 1857 of the 14th ultimo, I have the honour to state that the case of Elizabeth Evers is the only one presenting any real difficulty, and I submit that it can be got over if the proposals made in the papers referred to in the memorandum are sanctioned.

2. As to the last part of the Government order under reference, I beg to report that a boy named John Dickson was sent to the Lawrence Asylum, Ootacamund, but he has not been taken into it as yet. The Honorary Secretary writes to say that he is in correspondence with the Principal of the Asylum and that he expects that the boy will be admitted at no distant date. Six children (three boys and three girls) were removed to the Civil Orphan Asylum, Madras, in August last. The remaining children have been claimed by their parents or guardians.

3. The Secretary's letter of the 13th August last sent with the memorandum quoted above is returned herewith as directed.

Order—Mis. No. 896, Educational, dated 23rd November 1894.

The Rev. E. T. Beatty's proposal regarding Elizabeth Evers is sanctioned.

G.O., No. 489, Educational, dated 12th June 1895.

Read—the following papers :—

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam District, to the Chief Secretary to Government, dated 17th April 1895, R.C. No. 5644.

With reference to G.O., No. 482, dated 29th June 1894, and in continuation of my telegram dated 4th instant, I have the honour to report that the site occupied by the Waltair Orphan Asylum, together with the buildings situated thereon, was sold by me on 4th April for the sum of Rs. 6,000.

* * * * *

3. For the buildings in my letter of 14th January, R.C. No. 5644, I stated that I had an offer of Rs. 5,000. The offerer in March last reduced his offer to Rs. 4,000, and another applicant for the site since offered only Rs. 4,200. Attempts at auction completely failed. This Rs. 4,200 seemed to be far below the value. I may say that there is a likelihood of a hotel being built on the site, as this place may become the halting station on the direct route between England and Rangoon.

4. I therefore wrote to a coast firm suggesting to them the desirability of acquiring the land as a profitable speculation, and asked if they would give Rs. 5,000. They replied they would. I then asked for their highest price. The offerer of the Rs. 4,200 asked me to let him know of all higher offers, which I did, and finally I disposed of it to him at the price he said he was willing to give, viz., Rs. 6,000. The sale-proceeds were remitted to the treasury on the 6th instant.

From F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of the Vizagapatam, District, to the Chief Secretary to Government, dated 3rd May 1895, R C. No. 1553.

As directed in G.O., No. 277, dated 10th April 1895, I have the honour to report on the sale of the Waltair Orphanage buildings. In my letter, R.C. No. 5644, dated 17th April 1895, I have already reported that the asylum site and buildings were disposed of for Rs. 6,000 on 4th April. Considering the rise in price of all lands in the town of late, this is by no means a large price, and the purchaser is extremely well satisfied with his bargain.

2. By the year 1857 there were three buildings belonging to the orphanage purchased from subscriptions raised by the chaplain—*vide* paragraph 2 of Rev. Mr. Griffith's letter to the Inspector of Schools, printed in Extract Minutes of Consultation, dated 19th August 1857, No. 1165. These buildings were sold and their sale-proceeds, amounting to Rs. 8,600, were at the disposal of the Orphanage Committee at the time—*vide* paragraph 1 of G.O., No. 43, dated 29th October 1861. This year, *i.e.*, in 1861, the committee applied for a grant of Rs. 4,480 towards the erection of new buildings for the asylum, but the Government in the Government Order quoted above sanctioned only Rs. 480. This new building never however appears to have been erected ; but the present buildings were purchased for Rs. 5,200 apparently out of the funds at the disposal of the committee—*vide* paragraph I (2) of Mr. Carmichael's letter, No. 457, dated 7th July 1863, printed in G.O., No. 307, dated 3rd December 1863. From this it will be seen that Government contributed in no way to the cost of either of the present buildings or of the original buildings sold in 1861 or thereabouts, though, as appears below, Government has expended many thousands of rupees in the upkeep of the institution.

3. In 1854 Government was pleased to give a grant of Rs. 1,000 in aid of the institution. In 1858 Government sanctioned an annual grant of double the amount of private subscriptions—*vide* paragraph 2 of Extract Minutes of Consultation, dated 8th June 1858, No. 697. The subscriptions were not confined only to the Europeans and Eurasians. The zamindars of the district contributed very liberally in aid of this institution ; but for this help and the liberal aid granted by Government, the institution would have collapsed long ago. I must also remark here that the Government contribution in some years was so high as Rs. 6,319 (*vide* G.O., No. 292, dated 26th September 1870), although the subscriptions were so low in some years as Rs. 95 a month—*vide* paragraph 3 of G.O., No. 623, dated 3rd May 1861.

4 The land and buildings now sold fetched Rs. 6,000 and furniture and other effects Rs. 537–12–0, and these two sums were remitted to my treasury. To this amount must be debited Rs. 500 sanctioned in G.O., No. 896, dated 23rd November 1894, for the maintenance of Elizabeth Evers, one of the former inmates of the asylum, and Rs. 600 on account of the pension of Rs. 3 a month sanctioned in G.O., No. 187, dated 1st March 1895, to the late peon of the asylum. The latter figure is probably sufficient to meet the pension as it can fetch an interest equal to the pension sanctioned at the rate of 6 per cent. per annum. Deducting these two sums, there remains a balance of Rs. 5,437–12–0 available for the maintenance of the six orphans transferred to the Civil Orphan Asylum, Madras, in August 1894, and of the orphan boy transferred to the Lawrence Asylum, Ootacamund, in November 1894. The rules of the Civil Orphan Asylum or of the Lawrence Asylum are not known here. Considering the ages and the circumstances of the children transferred, the chaplain and the Honorary Secretary of the late Orphan Asylum here considers that the boys will remain quite eight years longer in the asylum and the girls until they are either married or have found work of some sort, such as teachers or nurses. Basing my calculations on these principles, I think a sum of Rs. 9,975, or Rs. 4,537–4–0 more than the balance shown above, will be required for the maintenance of these children as shown in the enclosed statement. From this it will be seen that the Government has charged itself with the maintenance of these orphans at a considerable loss and not at a profit. I am unable as yet to submit an absolutely correct balance sheet. I saw the Secretary Mr. Beatty this morning. He says it is impossible for him to send in the balance sheet until ten days hence. I therefore do not delay this report and will send in the balance sheet as soon as I receive it.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 13th May 1895, No. 1196.

With reference to memorandum, No. 920, dated the 27th April 1895, inquiring whether a separate account may be maintained on account of the late orphan asylum at Waltair, I have the honour to observe that the Government having in G.O., No. 482, Educational, dated 29th June 1894, charged itself with the maintenance of the inmates of the orphanage and of the other dependants on it, intend, I presume, to appropriate the balance which will be finally left unspent out of the assets of the institution after all *the* legitimate claims have been satisfied. If so, I would suggest that the receipts from the asylum may from the beginning be conveniently treated as those of Government and credited in a distinct entry "Waltair Asylum receipts" under the head XXV Miscellaneous—Contributions. As to the charges, that for the maintenance of Elizabeth Evers (the sanction for which has not yet been communicated to this office) and that for the pension of peon S. Kamayya may be debited to "Waltair Asylum charges" under the head 32. Miscellaneous—Donations for Charitable purposes," while that for the six children transferred to the Civil Orphan Asylum at Madras may be debited to that asylum in a distinct entry "Additional grant on account of Waltair Asylum" under the same major and minor heads. Whenever a balanced account is required it will only be necessary to bring together all the figures under the heads mentioned and to make a calculation on account of interest.

Order—No. 489, Educational, dated 12th June 1895.

With reference to the latter part of this office letter, R.C. No. 1556, dated 3rd May last, I have the honour to submit herewith a correct balance sheet prepared from the accounts furnished by Rev. E. T. Beatty, late Secretary of the Asylum, showing the receipts and charges of the orphan asylum at Waltair from 1st April 1894 to 31st May 1895. From this it will be seen that the opening balance on 1st April 1894 was Rs. 3,586-9-4 and the receipts amounted to Rs. 7,891-1-9, making a total of Rs. 11,477-11-1. Of this Rs. 2,938-13-11 were spent during the year, leaving a balance of Rs. 8,538-13-2 which was remitted to the huzur treasury. Deducting from this Rs. 600 intended to cover the pension payable to the late asylum peon, the actual balance will be Rs. 7,938-13-2 or Rs. 2,036 less than the amount (Rs. 9,975) required for the future maintenance of the orphans with which the Government has charged itself.

There is no credit in the accounts of the cash balance in hand referred to in paragraph 1 of G.O., No. 462, dated 29th June 1894, and I have accordingly addressed the Collector of Vizagapatam on the subject.
