Simla, the 8th October 1895.

SIR,

WITH reference to your letter No. 831, dated 13th November 1893, I am directed to state, for the information of the Government of Madras, that the Secretary of State has suggested that the question should be considered whether, in the scheme for the future organization of the Educational Services, provision should be made for the case of officers of the Provincial Service whom it may be desirable to promote to the Imperial list. It appears from the Madras Civil List, corrected up to 1st July 1895, that Mr. C. C. Flanagan, an Assistant Inspector of Schools, is at present sub. *pro tem.* Inspector of Schools, Southern Circle, in class IV of the Graded Service. I am to enquire whether His Excellency the Governor in Council is of opinion that Mr. Flanagan, or any other officer not of the Graded List, should be admitted permanently into the European Educational Service on its constitution, and, if so, to request that the grounds upon which His Excellency in Council would recommend their admission, and the terms upon which it should, in his opinion, be carried out, may be stated for the consideration of the Government of India.

I have the honour to be,

SIR,

Your most obedient Servant,

J. P. Hewett.

Offg. Secretary to the Government of India.

as to what reply should be sent to the Govt of I. ?

It seems that the D.P.I's views the only consistent one to adopt. The D.P.I. does not say, in so many words, whether there is any one in the Provincial service whom he wd. wish to appoint to the European service but apparently he intends it to be understood that there is not. If his view is adopted the maximum pay which a member of the Provincial service will be able to look forward to will be Rs. 700. (para 3 (f) of G.O. 33 21-1-93 Ed.).

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour, in returning Endorsement No. 2571, Educational of the 28th ultimo, to state that it was not intended, according to the Madras Scheme, to promote, or rather transfer, officers in the Provincial Educational Service to the European Educational Service as a permanent arrangement in any case. Temporary vacancies might now and then occur in the European Service which cannot be filled by recruitment in Europe and it was decided that in such cases only it should be possible to appoint members of the Provincial Service [illegible] (Vide para 4(h) of

Ed. Cor.
15 (b) 1,500—17-11-94.

G.O. no. 38, Educational, d/21.1.1893). I do not consider that it is desirable to provide in the reorganization scheme for the permanent transfer of officers from the Provincial to the European Service, as such an arrangement would lead to confusion. "The European Service" means the Service recruited from Europe.

2. Mr. Flanagan has been appointed an Inspector of Schools, in the fourth class, as a Sub-pro-tem arrangement only. On the introduction of the new Scheme he will be made one of the two Provincial Inspectors, Mr. Nagoji Rau being the other. Messrs. Marsden and Logan will be the two Inspectors on the European Service list.

I have the honour to be,

Sir,

Your most obedient Servant,

J. Duncan

Director of Public Instruction.

I am directed to acknowledge the receipt of your letter No. 356 dated 8th Oct. 1895 communicating a suggestion from the D. of I. that in the scheme for the future Reorganization of the Educl. Flanagan, now

2. In reply I am to say that it was not, under the scheme of re-organization proposed for the Presidency it was not proposed intended that officers of the Provincial service should in any case be permanently transferred to the European service.
