From Major the Hon'ble R. T. LAWLEY, Honorary Secretary, Countess of Dufferin Fund, to the Chief Secretary to Government, dated Guindy, 15th November 1895, No. 79.

Referring to G.O., No. 771, dated 19th September 1895, I have the honour to inform you that the executive committee of the Countess of Dufferin Fund has duly considered the suggested amendments and submits the following remarks:—

- (1) The production of health certificates was provided for in the printed form which candidates for scholarships have to fill in, and its omission from the draft rules was an oversight.
- (2) With regard to the alterations suggested in Rules 2 and 3, it has been decided to limit the scholarship to the Apothecary or higher grades, excluding the Hospital Assistant class, so that the modification proposed by the Director is no longer necessary.
- (3) As the scholarship was founded for the express purpose of benefiting the native community, it was resolved that candidates should not be bound down to serve the Fund for any period after the completion of their course as is required by students educated by the Fund or Local Bodies.
- (4) Provision has been made to include candidates for the M.B. or other course involving a longer period of study than four years.
- (5) A copy of the rules as modified is herewith forwarded.
