Also it is to be presumed that the D.P.G. has considered the matter & has no objection to the re-opening of the Primary classes at the Municipal School. In the case of the Rajmundry Training College, we have permitted the Municipality to open a middle school.

(2) The salary-grants ^{to be} are not sanctioned at all. The D.P.G. is only authorized to do so in case the Upper Secondary Dept is continued. The approval of the D.P.G.'s proposal in this dept will influence the L & M Dept. favourably considers the question of retaining the School. There is no High School in Amantapur & no private body comes forward to take over the Upper Secondary Dept.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 22 January 1895.

No. 573

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to para 3 of G.O., dated,
2^d April 1894, n^o. 428 m, and para 2 of G.O.
n^o. 830 m. mis, dated, 2^d July 1894, and in
continuation of this office letter n^o. 8909,
dated, 19 September 1894, I have the honour
to state that Mr. Marsden, Inspector
of schools, Central Circle, who was required
to inspect the Municipal High school,
Anantapur, and submit a special report
on the expediency of reducing the school
to the Lower Secondary Grade, recommends
(i) That the upper secondary department
should be retained

(ii)

(ii) that the Primary department which was taken away to form the Practising department of the Training school should be re-attached to it,
 (iii) that, having regard to the finances of the Municipality, the school should be re-organized with the following scale of establishment,

	Present Rs.	Proposed Rs.	
Headmaster . . .	100	80-100.	
First Assistant	80	50-70.	
Second Assistant	60	40-50.	
Third . . . Do	40	30-40.	
Fourth . . . Do	30	25-30.	
Fifth . . . Do	20	20	Munsli or Pandit
Sixth	15	nil	Sanskrit - Do
Gymnastic Instructor	10	10-15.	
Peon	6	6.	
Headmaster, Primary school }		15.	
Assistant - do		10.	
<u>361 x 12 = 4332</u>		<u>286 x 12 = 3432</u>	

(iv) that half salary grants should be

be given on behalf of all the teachers.
 (v) that the Sub. Assistant Inspector of schools of the Range should be entrusted with the duty of checking the monthly returns and accounts of the school. The Municipal Council to whom these proposals were referred has expressed its willingness to continue the High school as recommended by Mr. Marsden. (Please see its resolution enclosed). The Inspector urges that there is a very great demand in the District for qualified candidates for the Public service and that in the Educational department as well as in other departments in the district there are at the present moment several vacancies for which no qualified local candidates are available. To adequately meet the demand, it is desirable to maintain this,
 the

(ii) The only High school in Anantapur.
Judging from past experience I am not
very sanguine as to the success of the
school but in the circumstances
(ii) it may be given a trial for two
or more years. The scale of salaries
now proposed by Mr. Marsden, if
sanctioned to have effect from 1 April
next, would involve a reduction of Rs 900
in the cost of staff for 1895-96.

2. The present code makes no provision
for payment of half salary grants for
the teachers of the school. But,
considering that the district is
generally backward in point of
Education and that, when the late
Government Middle school, Anantapur,
was transferred to the Municipality,

some special concessions were promised for this
school (vide G.O. N^o. 1468, dated, 17 August
1883) I beg to recommend that half salary
grants be given as a special case. The
other recommendations of Mr. Marsden
have my support.

3. I beg also to return Government
Endorsement N^o. 1968, dated, 8 October
last, and to remark that, irrespective
of the orders which Government may pass
on these proposals to retain the
High school, a good building for the
Training school is an absolute
necessity. The one now proposed to be
constructed is intended to accommodate
both the Municipal High school
and the Government Training school.
Both the schools have for years
been suffering from want of proper
accommodation

accommodation buildings. Leaving the
Municipal school out of question,
the Training school ought to be
provided with a building without
delay, as good work is next to
impossible in the wretched building
in which the school is now held.
I would, therefore, recommend that
orders be issued for the early
construction of the new school house.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. M. S.

Director of Public Instruction.
