Forest No. 183. ^{Mis.}
Routine.

READ the following letter from E. P. Robert Esquire, Conservator of Forests, central circle, dated 2nd February 1895, no 1978.

I have the honor to request that sanction may be obtained for the exemption of one Mr J. W. Eade from the draughtsman's test under the following circumstances.

2. The permanent draughtsman of my office having died I advertised in the Fort Saint George Gazette for candidates and amongst the applications received

Cl

to Govt, Educational Department

I find that of Mr. Eade to be the most suitable. He has been a permanent draughtsman in the Survey Office for the last 20 years but as under the public Service rules recently promulgated a certificate from the civil Engineering College, which Mr. Eade does not possess, is indispensable for the appointment in my office and as training in the Survey Office does not appear to qualify he cannot be appointed to fill the vacancy without the sanction of Government.

3. Mr. Eade possesses the experience required for my office having had to compile the first forest Atlas in the Survey Office.

He

He comes with a good recommendation from that office where his services will cease from April next owing to reduction of the Establishment and is I consider the best and most suitable of all the applicants.

I beg to add that I have had no draughtsman for the past 5 weeks and shall feel obliged by being favoured with early orders.

Resolution.

Submitted to Government, with the recommendation that, in the circumstances stated, the exemption of Mr. Eade from the operation of clause 1, of article 4 of the Public Service Notification may be sanctioned.
