GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 8th February 1895, No. 1412.

In its order No. 499, Educational, dated 2nd July 1891, Government sanctioned

	Rs.	
For masters	2,556

„ rents and contingencies ..	720

the establishment of twenty schools for extending and developing education in the Gódvári agency at an annual cost of Rs. 3,396; * but on the Special Assistant Agent pointing out that the scale of pay for masters therein fixed was not well graduated, a revised scale was sanctioned in G.Os., Nos. 774, Educational, and 1230, Financial, dated 31st October and 16th November 1892, respectively. Provision was made in the revised scale for six assistant masters on Rs. 6 each, and it was intended to employ assistant teachers in schools in which an addition to the teaching staff might be found necessary.

2. The Special Assistant Agent reports that assistant masters are seldom required, while new schools are much needed in some villages. He proposes to retain one assistant mastership in the revised scale and to utilize the provision for the remaining five assistant masterships in the establishment of new schools—three with a teacher on Rs. 6 and two with a teacher on Rs. 4 each. The last two schools with a teacher on Rs. 4 will work as night schools. The saving in salaries will thus be Rs. (30—18—8) 4.

3. The allotment for rents and contingencies and for sweeping charges, together with the saving of Rs. 4 under salaries, will be redistributed as shown below:—

Sanctioned allotments.	Proposed distribution.
Rents and contingencies of twenty schools at Re. 1 for each school 20	Rents and contingencies of nineteen schools at Re. 1 each 19
Sweeping charges at As. 8 per school 10	Rents and contingencies of three new schools at As. 8 each 1½
Saving under salaries 4	Rents and contingencies of two night schools at Rs. 2 each 4
	Sweeping charges of nineteen schools at As. 8 per school 9½
Total .. 34	Total .. 34

The allotment for one of the twenty old schools having been utilized for Gutala where there is already a school, rent, contingent and sweeping charges have been provided for nineteen schools only in the redistribution. For want of funds provision cannot at present be made for sweeping charges for the new schools.

4. The redistribution does not involve any additional expenditure. Payment of results stipends has not been taken into account. The necessary proposition statement in duplicate is enclosed.

ORDER—dated 28th February 1895, No. 172, Educational.

The proposals of the Director of Public Instruction are approved and the proposition statement will be transferred to the Financial Department.
