Letter from the Engineer, Back
ingham Canal Co. to the Supg Engr.
2nd Circle, d/ 28.1.95, No 2554

In your No 1358 d/ 13.6.94, one
J Ramachandra Row, a late clerk
of the workshops at Vellore, was
exempted from examinations and
appointed as an Overseer's Clerk on
Rs 15 in this Div. He was ordered
to join at Iskapalli where an Over-
seer is stationed. After applying
for leave and thus evading to join
his post for about 3 months, he
secured an appointment else-
where and the post fell vacant.

2. Several passed men were asked
to accept the post, but without
success, owing to the out of the way
position of the place and the meagre
pay. The Sub Div. Officer was then
told to procure a man locally,
but he could not get one. Finally
in reply to an advertisement in
the Gazette an applicant named
Palani Venkataswamy Naidu
from Vakkapalli in Viragpatam
Div. applied for the post. This man
was formerly employed as a temporary
clerk on Rs 100 in Burma Div.
but he resigned the appointment
owing

owing to ill health. These statements have been confirmed by the Supg Engineer under whom he was employed in Burma. He passed the old Middle School Examination in the First Class, vide Page 2 of Fort Saint George Gazette, Supplement, of 12.2.94, but this examination is not now a sufficient qualification with reference to the Public Service Notification in Fort St. George Gazette of 29.5.94.

3. Venkataswamy Naidu writes a neat hand and possesses some departmental experience. He was holding an appointment on Rs 100 in the Department and was well spoken of by his Senior Engineers. Taking these points in his favor, and in consideration of the difficulty in getting passed men, and of the great inconvenience caused by the long delay in filling up the appointment, I at length appointed the man and he joined on 21.11.94.

4. In these circumstances I request that you will get the said Paluri Venkataswamy Naidu

Vaid was exempted from one of
the examinations prescribed for
appointments of Rs 15 and above.
I may add that this application
could not be made earlier, o-
wing to the time taken up in
collecting information from
Venkataswami and the Supg
Engineer in whose Circle he
was employed in Burma.
