Most Honored Sir,

I, C. Ruthnavelu Mudr., temporary clerk in the Chingleput Dn. office, most respectfully beg to bring to your honor's kind consideration the following with the hope that I may meet with success.

1. I beg to state that I was first appointed by the late Col. H. Smalley R.E. the then Executive Engineer of the Chingleput Dn., on the 1st November 1883 as a temporary clerk on Rs 15 per mensem in the correspondence section of the Dn. office & as such I continued to be employed till the end of February 1887 when, owing to a reduction in the temporary establishment, my services were dispensed with. But on a subsequent representation of the necessity for my services I was again appointed from 1st August 1887 under G. O. No $\frac{2299\,W}{26\text{-}8\text{-}87}$. Although I was drawing Rs 15 prior to the introduction of the Examination rules i.e. (that unpassed men should not be given Rs 15 from 1st July 1887) my pay Rs 15 was not passed by the Examiner P. W. A. Then the Executive Engineer recommended my exemption

By this arrangement I beg to state that the services of temporary clerk Ruthnavelu Mudaliyar an unpassed man but a good office hand and who at present draws a salary of Rs. 10 per mensem will have to be dispensed with.

I should be sorry to dispense with the man's services as he is a fast and neat copyist and having been for several years in the Divisional office as a temporary clerk, he is quite conversant with the office routine and is we

C. Ruthnavelu Mudaliar, clerk served in this division as a temporary clerk from November 1883 to June 1892 with the exception of a few months in 1890. But recently, owing to reductions in the temporary establishment he has been compelled to vacate the appointment much to the disadvantage of the office. He is an efficient clerk, and I can recommend him to any firm who may be in need of a first class copyist. He can also draft letters and do any thing that may be reasonably required of a clerk. I have known him since October 1887.

operation of the rules explaining the usefulness of my services in the office and the Govt. hence allowed me to draw Rs. 15 only to the end of February 1888 in their order No. 207 W. d/ 18-1-88, that is, until the sanction given for the temporary establishment for that official year expired.

II From 1st March 1888 I was again appointed on a reduced pay of Rs. 10 per mensem & continued to draw the same up to the end of March 1890, when the appointment of the two temporary clerks who continued to be employed since the year 1882, were not sanctioned on the plea of transfer of military works to a separate Division. Again in 1891 when the Famine Relief works were started I was appointed from 12th January 1891 as a temporary clerk on Rs. 14 per mensem on the recommendation of Mr. C. H. B. Burlton, the then Executive Engineer & I am now drawing the same pay since then.

III. I further beg to add that I was acting for the clerk (IV class III grade) of the Correspondence Section from 7th July 1884 to 20th February 1885 on a deputation allowance of Rs. 4 per mensem in addition to my pay Rs. 15 & also a few months in 1889 when the clerk (P. Venkatrengam Pillai) was on leave without pay, during which period I discharged my duties to the entire satisfaction of my superiors.

In 1891 when the Famine Relief works were going on I was engaged in the preparation of several Famine statements to be submitted to the officers of the Revenue & P. W. Department which I did to the entire satisfaction of my superiors & Mr. C. H. B. Burlton the then Executive & the present Deputy Chief Engineer P. W. D, who has granted me a certificate (copy enclosed) which now will certify to my qualifications. I was also acting for the 2nd Clerk of the Chingleput Dn. office otherwise termed a Cashier for a month & a half from the 5th February 1892 under the orders of the above officer and satisfactorily discharged my duties. The old records of the Chingleput Dn. office had to be sorted under G. O. No. 1375 W. d/ 2-5-92. As it was thought that no other clerk could do this work in the manner required, I, being an experienced man & quite conversant with the old transactions of the office, was appointed on Rs. 15 & exempted from the Examination rules under G. O. No. 2245 W. d/ 13-8-92 (G. O. d/ 3-8-92 No. 575 Educational Dept.) for three months from the 1st Septr. 1892.

IV. I, a poor man having to maintain a large family on this small salary, was compelled to discontinue my studies in the year 1878, for, my

poor

[illegible], and so were quite unable to pay my school fees &c when there was a severe famine, otherwise I would have passed the U. C. S. Examination in 1878. The then Head Master of the Saidapet High School & the Present Head Master of the Teachers' College at Saidapet has certified to this. (Copy enclosed). I have no other recourse but to express my difficulties before your honor of the P. W. Department, in which I have served for more than 12 years. Under these circumstances I most humbly beg that your honor will be graciously pleased to forward my case to Government with your honor's recommendation & to get me exempted as a special case from the operation of the Examination Rules so that I may be allowed to hold permanently an appointment of a clerk (IV class III grade i.e up to a salary of Rs 30) in this Deptt or at least to the grade of a clerk (V class I grade i.e up to Rs 20) & thus rid me of my anxiety suffering as I am from straitened circumstances, in consideration of my long service and qualifications. If the concession sought for above be granted to me as a special case, I humbly beg to state that nothing would be wanting on my part to the conscientious and satisfactory discharge of my duties. I beg to enclose copies of my testimonials.

For which act of kindness I shall feel extremely feel thankful

Sir,

I have the honour to report that the Examiner in his Dis: List No. 277 of 1887-88, has stated that the audit of pay due to temporary clerk C. Ruthnavelu Mudeliar is "deferred pending sanction of Government sanctioning the entertainment of the clerk notwithstanding that he has not passed the required examination".

The clerk was first entertained in this office on the 1st November 1883 and he continued holding his temporary appointment till the end of February 1887 when owing to a reduction in the Establishment his services were dispensed with.

In consequence of the sanction accorded in G.O. No. 2299 W of 26th August 1887, C. Ruthnavelu Mudr. was reappointed from the 1st August 1887 as a copyist.

The clerk has not passed any examination but in consideration of his continued previous service, I have the honour to request that the required sanction may be obtained.

Sir,

With reference to your docket No. 3639 of the 3rd inst:, I have the honour to forward the enclosed petition of temporary clerk Ruthnavelu Mudeliar for your favourable consideration.

As he was one of the thrown out hands as already re=ported in this office No. 3708 of 28th ultimo he was reappointed on the receipt of G.O. No. 2299 W of 26th August 1887.

Arrears of Salary are due to the clerk from 1st August up to date.

I have the honour to request that sanction for the disbursement of arrears and re-entertainment of the clerk may be obtained as he is found useful in bringing to light old references. This qualification cannot be expected in an inexperienced passed candidate who moreover would always be eager for permanent employment and consequently would not be likely to content himself with a temporary appointment.
