Order:- d/ 31st October 1895, No 853.

The Municipal Commissioners of Madras will be requested in the Local and Municipal Department to state whether they will consent to the grant of the proposed site or of any other piece of land in the Peoples' Park. There appears to be no other place suitable for the location of the hostel and the desirability of establishing it at an early date will be patent to the Commissioners.

We can do nothing now but tell the Hostel Committee that the site they suggest cannot be obtained. I gather both from the terms of the Resolution and from my remembrance of the debate that the Commrs will not grant any site in the People's Park.

I don't see any way out of the difficulty unless a part of the W. & C. Hospital site would do or the Govt. of India will give way as to the site on the Esplanade. H. E. was in correspondence with the Viceroy about this

13/3

The Municipal Commissioners of Madras express their inability to grant a site in the People's Park for the location of Sir Savalai Ramaswami Mudaliar's Students' Hostel.

The site could no doubt be compulsorily acquired by Govt. for the hostel, but it is submitted that the general market is also a very important project & should not be hampered if any other site for the hostel can be found.

There is a great deal of vacant ground in the People's Park alongside the Canal farther back from the road. Perhaps the Commrs. wd. grant some of this. Not very much wd. be wanted, as with so much open ground round it the Hostel wd. want very little

Compound of its own. A frontage onto the street would be of no importance to the Hostel; and its absence would not matter.

The whole area of the "People's Park" is as much as 116 acres.

W 20.2.96

The land which the Committee wish to get is I know intended by the Commn. as the site for a market. I do not think that Govt. could take this land up under the Act. See please proviso to Section 6(1), Act I of 1894.

I fancy that the Committee will not be disposed to ask for anything further back in the Park. Besides I doubt very much if the Commrs. would ~~give~~ be disposed to give any site in the People's Park. I do not know what site could be found for the Hostel without taking up land under the Act and that cannot be done as a hostel is clearly not a "public purpose"
