From

The Honorable Mr. D. DUNCAN, M.A., D.Sc.,
Director of Public Instruction,
Madras,

To

The Honorable The CHIEF SECRETARY TO GOVERNMENT,
Fort St. George.

Sir,

20th March

In submitting herewith Endorsement Reference No. 100/agency dated 9th December 1895 of the Government Agent, Godavari, together with its enclosures and letters from the Inspector of Schools, Northern Circle, Nos D/520 and D/4 dated 13th August 1895 and 9th January 1896 respectively, I have the honour to recommend strongly that the concession granted in G.O. No. 387, Educational, dated 18th May 1892, in regard to the levy of a reduced rate of fees in the Government Lower Secondary School, Bhadrachalam, be extended for a further period of three years, (i.e), up to 31st December 1897. The scale in force at present and the scale that ought to obtain in the school according to the favourable rates sanctioned for schools in backward localities or for backward classes with reference to the new Fee Notification are contrasted below:-

From the above statement, Government will be pleased to note that the standard rates are nearly ~~de~~ treble and the reduced rates are nearly double the scale sanctioned for the School, and I fully agree with the Special Assistant Agent in considering that the introduction of the favourable rates (shown in column 4 above) sanctioned for schools in backward localities or for backward classes would lead to the closure of the school for want of pupils - a step which I should take with the greatest regret and hesitation considering the useful

purpose

purpose which this long standing institution has been serving in the very backward Taluq of Bhadrachalam.

In G.O. no 12 Ed. of the 11th Jany. 1888, the Govt sanctioned the levy of a reduced scale of fees in the Govt middle school, Bhadrachalam up to the 31st December 1890. In G.O. no. 546 Ed. of the 30th July 90, the continuance of the reduced scale until the 31st Dec. 1891 was sanctioned and in G.O. no. 387 Ed. dated the 18th May 1892 the period was extended to the 31st ~~March~~ December 1894.

In the present current the D.P.I. solicits sanction for the continuance of the reduced scale until the 31st Dec. 1897.

The previous sanction expired on the 31st Dec 94 and application for the continuance of the same rate from the 1st Jany 1895

should have been made towards the end of 1894 or at the beginning of 1895. The Headmaster of the School submitted application for the continuance of the reduced scale of fees in January 1895. The Spl. Asst agent addressed the Agent on the 19th Feb. and the Agent forwarded the application to the D.P.I. on the 20th March. The application was received in the Office of the D.P.I. on the 25th March but no action was taken on it until the 1st August 95 when it was referred to the I. of S. ~~Schools~~ for remarks. Delays are getting common in D.P.I.'s office, & it is submitted that the present G.O. should notice this instance. The Inspector's remarks, when received, were referred to the Agent & the Agent's remarks were again referred to the Inspector and the whole correspondence is now submitted to Govt. There appears to have been very little necessity for this correspondence.

The rates at which fees are at present levied in the School are given in Col. 2 of the Statement in the Director's letter, while the rates at which fees ought to be levied are given in Col. 4. The Agency authorities & the Educational Department are in agreement as to the desirability of making the concession now asked for and it ~~The reduced rates have been in force in the School since January 1888 & a little enhancement of them might now be possible.~~ may be granted.
