[Despatch Abstract.]

Mr. A. A. HALL.

Communicating to the Director of Public Instruction the opinion of the Government of India that as the question of the application of the better leave rules to -- is still under the consideration of the Secretary of State and as Government can grant him six months leave on private affairs, it is unnecessary to make a special reference to the Secretary of State on the ground that he must proceed on leave to England this spring.

Calcutta, the 9<sup>th</sup> March 1896.

Sir,

With reference to your letter No. 27 ( Educational ), dated the 18th January 1896, recommending the admission of Mr. A. A. Hall, Principal of the Teachers' College, Saidapet, to the favourable leave rules in Chapter XIII of the Civil Service Regulations, I am directed to say that the question of the application of the better leave rules to Mr. Hall is still under the consideration of the Secretary of State.

2. If, however, it is, as stated in paragraph 2 of your letter, necessary for Mr. Hall to proceed on leave to England this Spring, it is apparently open to the Government of Madras to grant him leave on private affairs for six months under the leave rules at present applicable to him ( vide Articles 370 and 373 (b) of the Civil Service Regulations ). In these circumstances the Government of India do not think it necessary, pending His Lordship's decision on the general question, to make a special reference to the Secretary of State in Mr. Hall's case.

I have the honour to be,

Sir,

Your most obedient Servant,

J. P. Hewett.

Secretary to the Government of India.
