4/4/96

By the Ed. notifn of 29th April 1884, matriculates were excluded from the Rev. Higher after May 1885, except those then in the service of Govt who were permitted to appear until 1889. The petr. entered Govt service only in 1887 & was excluded by the above notifn from the Rev. Higher. There are many servants of Govt similarly circumstanced & the petr's case does not seem to call for special consideration. The Rev. Higher is required only for the post of Dy Collector.

TKR

As to the petr's claims special treatment on the ground that he is a Muhammadan of good family. He must be a smart man to have risen so fast, & he is no doubt hoping to become a Dy Collr some time. His case seems worthy of kindly consideration.

I agree with H.M.

To

His Excellency the
Right Honorable
the Governor of
Fort St. George
Madras.

Through,

C.H. Mounsey, Esqr.
Ag Collector and District
Magistrate of
Salem.

The humble petition
of Mohomed Ghouse
Saheb Magisterial
Head Clerk Collector's
Office Salem.

Most

Most respectfully Sheweth;

That your Excellency
humble petitioner
has completed the
Tahsildar Magistrates
Tests together with
Survey training and
has also passed the
Judicial Test Crimi-
-nal Higher Grade
held in October last.

2. That your Excellency
humble petitioner
ventures to state
that his Great, Great
Grand Father named
Hâl Rahman Ali
Khan

Khan was the Prime
Minister of His High-
-ness the Nabob
Wallaja of Carnatic
and his son Rahman
Ali Khan succeeded
to the same appointment
under His Highness
Nabob Gulam
Ghouse Khan of
Carnatic; that his
Grand Father Mo-
-hammed Abdul
Karim Sahib was
a District Munsiff
at Karur &c places;
that owing to some
adverse circumstances
Soon

Soon after the death of the petitioners Grand Father all the Jaghirs except a portion became the property of others. It may not be out of place here to mention that after the demise of the petitioners' Grand Father the Noble Gentleman Mr. E.B. Thomas was kind enough to patronize the petitioners' Father and his paternal uncles.

Since

Since the demise of the petitioners' Grand Father his family has stood on the Edge of official starvation and by the generous and helping hand of the Gentleman above mentioned it was saved from being merged into an eternal abyss of misery.

3. That in this District, of the total number (305) of Employ holding appointments of

of Rs 15 and upwards, only 14 are Muhammadans including those of the Forest Department, and they are only 4.59 per cent of the total number of officials in the District. Thus it will be observed that a full share of State Employment is not held by Muhammadans in this district. It is this state of iniquity which the Govt. has been and is trying its utmost, to redress by appointing qualified persons from time to time as opportunities occur. When this state of iniquity came to its notice the Government of India has in para 22 of its Order embodied in G.O. of 14.8.1885 No 507 (Est) been pleased to state as follows:—

"The Governor
"General in Council
"desires that in those
"provinces

" provinces where
" Muhammedans do
" not receive their
" full share of
" State employment
" the Local Govts
" and the High Courts
" will endeavour to
" redress this inequity
" as opportunity
" offers, and will
" impress upon
" Subordinate officers
" the importance of
" attending to this
" in their selection
" of candidates for
" appointments

inequality

" appointments of
" the class referred to."
It is very gratifying
to the Muhammadan
community that the
Government has
accordingly been
pleased to issue
the following orders
from time to time,
and it is also thankful
to the Board of Revenue
which in its turn
has issued orders
to the several Heads
of the Departments
to carry out the
wishes of the Govt.
of India (1).

4. Quite in keeping with the above principles, the Govt. has been pleased to relax the present rules of Public Service in individual cases which are deserving of such a Concession. Encouraged by this, petitioner b to approach your Excellency with the prayer that he be permitted to appear for the Revenue Higher Grade Examination and thus reap the advantage of his good service and previous success in the various other Examinations.

5. Your Excellency's humble petitioner entered the Service in 1887 as a Gumastah on Rs 15 having passed his Matriculation and Handwriting Test. Owing to the well

well-known indigenous condition of the Community of which he is a member he found it impossible (though he had a great desire to do so) to improve his Educational qualifications by entering the College. He thus had to content himself with the post of No 15 to start with. As far as it was consistent with the due discharge of his duties he h awailed himsel of every opportun to qualify himsel for higher posts by passing the various Special Test Examinations as noted in the margin, and your Excellency's Petitioner has accordingl through the kindness of the officers under whom he has served risen to the post of Magisterial Head clerk. Having taken advantage of the recent Concession by your Excellency to Conversions – [illegible]

(5) Survey Training 1894.
6 Judicial Test Civil Higher Grade. 1895.

Muhammedan Matriculates of Appearing for the Criminal Higher Grade the petitioner has passed the same (Exam of Oct 95).

The only Examination for which Your Excellency's humble petitioner cannot under the rules now in force appear is the Revenue Higher Test. The Consequence of this is to permanently block up Your Excellency's petitioner's way to suitable posts. In

In view therefore of his noble descent and respectable Connections, of the fact of his being a member of the com-munity which is receiving all Encourage-ments at the hands of the benign Government in every direction, of the honest and hard work done by petitioner during his official Career (as is testified to by the testimonials appended), of the fact that similar Concessions have been

een granted by
overnment in
everal other
imilar cases and
above all in view
of the fact that
but for the Concessions
now sought, petitioner's
whole career would
in these days of
keen Competition
be dimmed with
dis appointment
and discouragement,
petitioner earnestly
solicits the grant
of his prayer.

For which act of
kindness he shall
ever pray.
