Simla, the 5 November 1895.

SIR,

WITH reference to the correspondence ending with your telegram No. 655, dated the 22nd October 1895, and in continuation of the letter from this office marginally noted, I am directed to forward the accompanying copy of a Despatch* from Her Majesty's Secretary of State, and to request that, with the permission of His Excellency the Governor in Council, the further corrections and additions therein suggested may be made in the revised list of institutions, libraries and persons in India, Europe and America, interested in Sanskrit learning, to whom the Catalogues of Sanskrit Manuscripts should be distributed, which was forwarded with Home Department letter No. $\frac{2\text{-Books}}{61}$, dated the 28th January 1895.

No. 617, dated the 29th July 1895.

* No. 49-Public (Records), dated 29th August 1895, and enclosure.

2. I am to add that enquiry is being made of the Government of Bombay as to the arrangements (if any) made by the representatives of Mr. Mahadeo Chimnaji Apte for the continuance of his work and that, if necessary, a further communication will be made after the results of the enquiry are known.

I have the honour to be,

SIR,

Your most obedient Servant,

L. M. Thornton

Deputy Secretary to the Government of India.

[G. 7]

NOTE FOR THE UNDER SECRETARY.

The arrangement come to by the U.S. (Mr. Butterworth) and the Second Assistant (who supervises the work of the Librarian) was, that Distribution Lists should be corrected in the Depts. concerned. Please see the portions of the notes in the accompanying two G.O.s marked with ■ Slips.

When only an erratum & not a revised list is issued, the Librarian of Congress has to correct his copy of the original list. When revised lists are issued he is furnished with copies. always

This has been the prac-

in this Office.

Esqr
21/12/95.

The distribution of these
Catalogues of Sanskrit Mss
is not a work of the Ed. dept.
The case quoted by the Librarian
is not on all fours with the
one under consideration. If it
is the supply of books to Ed.
Officers, then the Ed. must write
the proper dept to prepare
the distribution list. But
the distribution of the Catalogues
of Sanskrit Mss is quite
altogether different work

Note for C.S.

The list has been revised as stated in the draft and a proof copy of it is attached.

The duty of maintaining corrected lists of distribution of books belongs to the Librarians who makes the distribution, but the corrections relating to this particular list have been made for some months past in the Ed. dept by what is really an accident. In 1893, the Curator of the Govt. O. M. Library issued a complete index of the Mss in the Library & in this dept's letter no 606 R & D 18th Aug-93, the Govt of I. was asked its views on the distribution of the Index and to furnish this Govt with a revised copy of the distribution list prepared by the Govt of India 1883. The reply to this letter containing the revised list was as a matter of course dealt with in the Ed. dept & so it come to pass that subsequent corrections in the list received in 1895 were also dealt with in the Ed. dept. All further corrections in the list which it is submitted be attended to by the Librarian.
