Re Grasmere, please see the note for orders under cover of G No. 248 Ed. B. 25th March 1895.

Last year the Com. of Police applied for 'Grasmere' in order to assign it as free-quarters to the District Inspector of the N. & E. Div. of the Madras City Police but as the rental of the building (Rs 30) considerably exceeded the house rent allowance of the Inspector (Rs 15) the Govt refused to assign it as free-quarters for the Inspector, ordered its retention for the use of the Ed. dept. and permitted the P.W.D. Subordinate who was then residing in it to continue to occupy it.

In December last the P.W.D. Subordinate offered to purchase the building for Rs 7000 but

My dear Price,

Re 'Grasmere'

I find the P.W.D. subordinate who was allowed to reside in "Grasmere" has let the house to a Mrs Hardy and is living in his own house which adjoins 'Grasmere'.

This shows he does not require the house & is only making money out of it.

Mr Agar should have written officially & may be told so. –

Re Grassmere, please see the note for orders under cover of G.O. no. 248 Ed. d 25th march 1895.

~~Letter from~~ The Com. of Police applied for 'Grassmere' in order to assign it as free-quarters to the District Inspector of the F & G. Div of the Madras City Police but as the rental of the building (Rs 30) considerably exceeded the house rent allowance of the Inspector (Rs 15) the Govt refused to assign it as free-quarters for the Inspector, ordered its retention for the use of the Ed. dept and permitted the P.W.D. Subordinate, who was then residing in it, to continue to occupy it. Monthly rent Rs 30.

In December last the P.W.D. Subordinate offered to purchase the building for Rs 7000; but

If the state of the case is as stated by Mr Agar the house shd certainly be let to the D.I. Inspr. [illegible] shd be asked

JG 2/4/96.

* G.O. no. 2027 W. d 15th Aug. 97.

If the house is let to the Dt. Inspr, it shd, I think, be stipulated that he must turn out if it is required in connection with the Industrial school arrangements. If it is not so required, it is a question whether it shd be retained. It seems absurd to let for Rs 30 p.m. a house worth not less than Rs 7000

MS
2/4/96

It must of course be made a condition if the house is let to the Dt. Inspr that it ~~by the~~ must be vacated if the house is wanted for other purposes JG 6/4/96 the consideration of the question was, on the recommendation of the D.P.I., postponed till the settlement of the question of the removal of the Industrial School to the C.O. Asylum buildings. Vide G.O. no 75 Ed. d 7th Feb. 96.

From Mr Agar's D.O. it will be seen that the P.W.D. Subordinate who has rented the building owns a two-storeyed house near it; that he now lives in his own house and that he has let the Grassmere to a private person & is making money out of it. If this is correct the action of the P.W.D. Subordinate ~~seems to~~ is most be irregular, & may be brought to the notice of the D.P.W. If the house was worth more than Rs 30, Govt. should profit by it, & not the D.P.W. subordinate.

The present request of the Commr is different from the one made last year; he does not now want the building to be assigned as free quarters; he requests that it may be let to the District Inspector who is obliged to live in the locality & who is greatly in need of a good house & who is willing to pay Rs. 30 as rent. There seems to be no objection to letting the building to the Dt. Inspector.

The P.W.D Subordinate may be ~~ousted~~ ~~asked~~ directed to ~~leave~~ give up from the building as he has no real need for it & it may be let to the Dt. Inspector!

The P.W.D. now reports that the Grassmere building is worth more than Rs 30 a month and would fetch Rs 60. The rental of the building according to G.O. no. 2027 W. d 15th Aug. 94 is Rs 30 a month.

Orders are solicited as to whether the building may be let to the Inspector of Police at Rs 30 a month!

1/2 22/4. The Dt. Insp. is not likely to be able to pay more than Rs. 30. rent. Orders have now been passed upon the removal of the Industrial School, & will issue shortly. As soon as they go out the D.P.I. may be asked to say definitely whether Grassmere will be wanted. From his letter in G.O. 75 Ed. 7.2.96 it seems almost certain that it will be, & if so, it seems inexpedient to put the Inspector into the house for only a few weeks. Mr Agar may now be told that the house will probably be very shortly wanted for the Industrial School & that Govt. does not wish to make any change in its ~~occup~~ tenant meanwhile.

NOTE.

The house is worth more than Rs.30 a month and no doubt would fetch Rs.60: but if it is thought desirable to let it to the District Inspector at the ~~low~~ lower rent there is no reason why it should not be done.

2. Inquiries will be made regarding the statement that the D.P.W. subordinate is living in another house and renting the Government one to a private individual.
