Government Press,
No. 447. Madras, 4th May 1896.

Office Note.

With reference to G.O. no. 695, Educational, dated 16th August 1895, the Superintendent, Government Press, submits a report on the working of the new arrangement of the Fort Saint George Gazette introduced under G.O. no. 14, Educational, dated 10th January 1895.

1. Part I-B containing all Educational notifications has been issuing from the 22nd January 1895, and the number of subscribers and officials receiving this part is given in the accompanying Statement. Of the number of subscribers given therein only 17 were formerly subscribing for the Complete Gazette, the others being new subscribers owing to the issue of this new part. Of the 95 Officials of the Education Department given in the Statement 67 were formerly in receipt of the Complete Gazette.

2. The increased number of subscribers and officials to this part of the Gazette.

is due to the circular issued by the Director to all Schools and Colleges in August last and to his reducing the number of Educational officers receiving the full gazette.

3. The undersigned submits that by the issue of this part and the consequent reduction in the number of full gazettes, there has been a saving of Rs. 487 in printing, and Rs. 845 in the cost of paper from April 1895 to 31st March 1896.

4. The undersigned considers that the Separation of the Educational notifications from Parts I and II into a separate part, has proved of advantage to the Education Department, and he solicits that the issue of the same may be continued in future.

5. A copy of the distribution list of the Part I-B and Supplements is submitted herewith for information.
