From

The Principal,

To

The Director of Public Instruction
Madras.

Sir,

I have the honour to request that you will be so good as to apply to Government for early sanction for the retention during the current year of the services of Art Instructor attached to this College.

2. Art teaching is of such importance in a well developed scheme of general education and the work done by the Art classes in town — since their first institution in — has been of such value that, in view of Proceedings of Government, No. 698, of August 1895, I feel strongly tempted to urge you the desirability of placing these on a permanent footing. In view, however, of the uncertainty that overhangs the of this College, I do not see my way to any definite proposals on the subject.

... I could have desired,
ing the various reasons that may
ed for this, is, without doubt, the
that students do not regard Drawing
possessing for them any immediate prac-
tical utility. I propose with your permission
to try the experiment of making drawing
compulsory in the case of the students in
the Junior L.A. class. Such an arrangement
will at least provide students with an
opportunity of finding out if they possess
liking or aptitude for the subject and in
case of time we may reasonably expect
to see a larger number of students in the other
large classes joining the Art class of
their own free will and in recognition
of the value of a course of instruction
in Drawing.

It will I think be possible to
arrange to hold two classes a week without
unduly encroaching on hours that legitimately
belong to the play-ground and tennis court-
like that, if my proposal is approved of,
the Junior L.A. class should be
exempt from the payment of the special
class fees.

No. 5267.

Current No 624

From
THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To
THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,
The sanction accorded in G.O.
No. 698, Educational, dated 17th August
1895 for the retention of the Art Instructor
in the Kumbakonam College having ex-
pired on the 31st March last, I have
the honour to request that the sanction
Government be obtained for his retention
for a further period of one year to be
effect from the 1st April last.

2. With reference to G.O., No.
Educational of the 25th September
I submit copy of a letter from the
-pal urging the desirability of plac-

the Art class on a permanent footing.
 He reports that the students of the College
 have not taken as much advantage of the
 services of the Art Instructor as could be
 desired and suggests that the study of
 drawing should be made compulsory in
 the case of the students of the Junior F.A.
 classes. The Inspector has been requested
 to report on the expediency of removing
 the Training School, Tanjore, which is now
 very ill-accommodated to Kumbakonam
 and of amalgamating with it the Art class
 of the Kumbakonam College and of opening
 commercial or industrial classes in con-
 nection with the institution on the model
 of the Technical Institute at Madurai.
 In receipt of his reply I shall submit
 minute proposals for developing the Art
 class so as to increase its sphere of usefulness.

I have the honour to be,
 Sir,
 Your most obedt servant,
 L. Durman
 Director
