His Excellency the Governor in Council hereby notifies that the fifth and the Sixth Standard Examinations of all persons who desire to qualify for admission into Training Schools under Article 12 of Chapter VII of the Educational Rules, and of all teachers, trained students, or students under training who desire to qualify for Primary Grade Teachers' Certificates of the first class under Article 22 of Chapter VIII of the Educational Rules, shall be conducted either by the Board of Examiners constituted under the Primary Examination Notification or by the Board of Examiners for Teachers' Certificates constituted under Chapter VIII of the Educational Rules.

Madras, 6th December 1895.

No. 13069

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to bring to the notice of Government that in Chapter VI article 12 (iv) and chapter VIII article 22 (ii) of the revised Educational Rules submitted with my letter no. 12,310, dated 15th ultimus, I have provided for the Board of Examiners for Teachers' Certificates as well as the Primary Examination Board undertaking the examination of candidates who may wish to pass the Fifth or ^{the} Sixth Standard Examination with a view to their admission into training schools or to their qualifying for primary grade Teachers' Certificates of the first class, and so request that the sanction of Government may be accorded to the change in the following circumstances.

2. On Government notification on 22, dated 17th January 1894 the conduct of the fifth and sixth

standards examinations of the former war,

will further steps, authorized by the Primary

Examination Board. According to the Primary

Examination notification recently sanctioned

by Government, the examination is conducted

in the month of November, December and January

(ie) for only three months during the year,

and the Board is provided with by the President

Director of the Division or by some one of

similar status, two members being competent

to conduct the examination. The Board

of Examiners for Teachers' Certificate works

almost throughout the year. The examinations

are conducted by two men being

the Board or by one member and an

additional examiner. The latter Board is

as strong as the former Board, and it may

also be entrusted with the examination of

candidates for the fifth and sixth standards

This arrangement will be found advantageous

in several ways, which will not affect

the standard of the examination. All

candidates, for instance, who have not

been

been able to appear before the Primary Examiners

Board, or who, having appeared have failed

to pass the examination, will have an

opportunity, after an interval, say, of one

or six months, of appearing again for the

examination before the Board of Examiners

for Teachers' Certificate, without waiting

for a full year. The Primary Examiners

Board which has much work to do

in connection with the examination

of the fourth standard will find

small relief if the Board of Examiners for Teachers'

Certificate is empowered to conduct the

examination of a secondary candidate

for the fifth and the sixth standards

examination.

3. In the weekly Government appointment

of my proposed. I beg to request that the

above mentioned may be published

in the Fort St George Gazette.

I have the honor to be,

Sir,

Yours most obedient servant
