Read—again G.Os., No. 52, Educational, dated 28th January 1889, and No. 367, Educational, dated 29th May 1894.

Read—also the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 14th November 1895, No. 12174.

In its order, No. 367, dated the 29th May 1894, Government was pleased to sanction the transfer of the scholarship allowance of Rs. 11 in the Government middle school, Gunupur, to the Government salary-result schools at Regada and Jalteru. The transfer was intended to have effect for one year which expired on the 31st July last.

2. The Senior Assistant Agent, Vizagapatam, now reports that the experiment has been a success and recommends that the transfer be effected permanently as there is no likelihood of the amount being utilized in the Gunupur middle school, the reason being its long distance from the Sowra villages. The recommendation is supported by the Agent and the Inspector of Schools.

3. Again it is also reported that the Superintendent of Hill Schools purchased, with the Senior Assistant's approval, some cloths with the sanctioned amount and distributed them among the Sowra and Khond students. This resulted in a larger number of pupils being benefited and in attracting more children to the schools.

4. I have, therefore, the honour to request that sanction may be obtained for the permanent transfer of the amount to the two schools in question and for its utilization as above recommended.

Order—No. 930, Educational, dated 12th December 1895.

The permanent transfer to the salary-result schools at Regada and Jalteru of the scholarship allowance of Rs. 11 per mensem attached to the Government middle school, Gunupur, is sanctioned.

2. Before passing final orders as to the utilization of the allowance, the Government desires to be furnished with additional particulars respecting the proposed method of making presents of cloths to pupils. It appears that it is intended to make these presents to all pupils indiscriminately, whereas, under the original conditions of the grant of the scholarships referred to in G.O., No. 52, Educational, dated 28th January 1889, rewards were to be given to promising pupils only.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 29th May 1896, No. 5874.

With reference to G.O., No. 930, Educational, dated 12th December 1895, I have the honour to submit an extract from the Vizagapatam Agent's letter, No. 75, of the 9th April 1896, which reached my office through the Inspector on the 18th instant, and to request that in the circumstances therein set forth sanction be accorded for the utilization of the allowance in the manner recommended by the Agent. The increase in the number of Sowra pupils in consequence of the change is encouraging, and when the number of such pupils greatly advances, it will be time to limit the rewards to the most deserving pupils. I would recommend that the relaxation be sanctioned for a term of three years and that its continuance be reconsidered on receipt of a special report at the end of that period.

ENCLOSURE.

EXTRACT from the Vizagapatam Agent's letter, No. 75, of the 9th April 1896.

2. The number of Sowra pupils in the two schools at Regada and Jalteru is fourteen during the current month, as against three at the close of the official year 1894-95, and my Senior Assistant Agent reports, on personal inspection, that it is this system of giving rewards to all Sowra boys indiscriminately which has increased their attendance at these schools. He further reports that the idea of education has not taken sufficient root among the Sowras to admit of the substitution of the system of the rewards for merit, and, therefore, thinks that the present system is to be continued. I agree with him.

ORDER—No. 362, Educational, dated 15th June 1896.

The proposal of the Director of Public Instruction is sanctioned.
