Extract of the Resolutions of the First Godavery District Teachers' Conference passed at its meeting held in the College Hall at Rajahmundry on the 2nd and 3rd January 1896

I Resolution

In order that the allotment under Grant II may be fully utilized within the close of the official year, this Conference recommends that:—

1. The Grant Inspection may be completed within the close of January every year.
2. The Conference of the Inspecting Officers as provided in article 9 Chapter IV of the Grant-in-aid Code may be held in February to fix portion payable to Managers or Teachers out of the total earnings with reference to the Budget allotment under the head of Grants.
3. Certifying Memoranda may be sent direct to the Treasury Officers to facilitate payment to Managers or Teachers.
4. The practice of publishing combined lists may be stopped and in their place Presidents of Taluk Boards may publish lists of schools to be aided containing merely the standards to be examined.

II Resolution.

This Conference respectfully thanks
the Director of Public Instruction Madras
for allowing the Lower Primary schools
to remain unaffected by the Recognition
rules for three years to come, and requests
that the privilege may be extended to
all result-system Primary schools for
a period of five years.

III Resolution

As the rules now in force, compelling
all pupils of the Fourth Standard to appear
before the Primary Examination Board
and pass the Examination to enable them
to earn grants are unnecessarily causing
a great deal of inconvenience and
trouble to the school-going population
this Conference urges the necessity of
giving Managers of Schools the option
of submitting their pupils to the Primary
Examination or getting them examined
by the Inspecting Officers.

IV Resolution

As Educational matters are not

adequately represented in Local Boards
and as the Inspecting Officers now ~
appointed for the purpose seldom find
time to attend the meetings of the Boards,
this Conference suggests that a seat
should be set apart for a non official
belonging to the Educational Department.

V Resolution

As the present leave rules promulgated
by Presidents of Local Boards are very
oppressive to Board Teachers, this
Conference requests that Inspecting
School Masters be empowered to grant
casual leave for three days and the
Sub Assistant Inspector of Schools for
five days subject to the approval
of the President concerned.

VI Resolution

The pension rules lately brought
into force in the Local Fund Department
have been very oppressive to many
of the old Local Fund servants, this
Conference urges the necessity of giving
such servants who were in the service
at the time of the introduction of the

rules the option of paying or not paying
the contribution.

VII Resolution

This Conference views with apprehension
the proceedings of some of the Taluk Boards
of this District proposing to reduce the
salaries of some of the Board Teachers
and records with strong protest against
such a measure as the salaries already
in force are at a minimum.

VIII Resolution

This Conference strongly recommends
that Teachers' Associations should be
formed at least one in each Taluk
for the purpose of mutual improvement.

IX Resolution

The next Conference is to be held at
Caconada on such dates as may be
fixed later on.

X Resolution

This Conference conveys its hearty
thanks to Mr E. P. Metcalfe Principal
First Grade Provincial College Rajahmundry.

5.
for his having lent the College Hall for holding the Conference and for his having sympathised with its resolutions and to Messrs Achanti Suryanarayana and Pemumetcha Ramachandraraya and the members of the Teachers' Association Attiti for their earnest and enthusiastic endeavours in bringing about this Conference.

Association Goddary.
Honored Sir,

I respectfully beg to state that a majority of the teachers in this District both in the Board and Private Schools, seeing their grievances not represented to Government by the Educational authorities, held the first Conference at Rajahmundry on 2nd & 3rd January 1896, so as to ensure a proper redress, that this Conference passed some resolutions after mature consideration with a view to bring them to the notice of Educational authorities and the Government, the purpose of which effects the Government little in a pecuniary point of view but would properly remunerate the teachers for their services in training up the student-population, and that this Conference by thus submitting an extract of such resolutions to the Educational authorities and Government, have reposed confidence in Government that they would take immediate action to give effect to these Resolutions.

I therefore, on behalf of the Conference,
humbly request your honor will be pleased to bring
these resolutions to your honor's kind perusal
and consideration and confirm them.

I beg to remain
