To

The Hon. The Chief Secretary to Government
Fort St. George

Sir.

With reference to G.O. Pension No. 1508, dated
Sweepers 26th Nov^r 1894, I have the honor to state that menial
Gardeners Servants in this Department of the classes noted
Night Peons in the margin may be excluded from the Pension
Punkat Pullers list as their duties are purely manual and as no
Watermen difficulty will be experienced in obtaining such
Scavengers menial labour at the market rate without the
Jathies prospect of a pension being held out.

2. Tailors who teach sewing and teachers of car-
-pentry and other industrial subjects in permanent
employment in Government Institutions should
be allowed pension; but such tradesmen when
employed merely to work at their trade, and not
to teach need not be allowed the privilege

3. Attendants attached to Science classes
drawing pay above Rs 10 should also be held
eligible for pension.

4. I beg to express it as my opinion that any
orders that may be passed on this letter should
not affect the prospects of the present incumbents
who

who are allowed the privileges of pension
according to the existing rules.

NOTE FOR THE UNDER SECRETARY.

The D.D. means that if Sweepers
Scavengers and conductors holding
permanent appointments were to
be paid out of contingencies henceforth
they would lose all their claims for
pension. This ought not to be so.
He therefore proposes that the
ruling in para 4 of G.O. no 539 Bd
of 26th June 95 should not be made
applicable to the present permanent
in appointments.

This recommendation is the
same as the one made by the D.D.
in his letter no 1321 of 7th Feb. 95
(Pension current no 175) which has
not been disposed of as yet. Perhaps
this current may be over pending the
disposal of the general question raised
by the Pension Dept.

No. 9328.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to para 4 of fo. dated 26th June 1895, no. 539, Ed., I have the honour to invite the attention of Government to para 4 of my letter, no. 1321, dated 7th February 1895, on which no orders appear to have been passed as yet, and to reiterate the opinion that it will cause hardship to the present permanent incumbents if the order regarding the exclusion of some of the members of the manual establishment from the enjoyment of pensionary rights be given retrospective effect to. If this view is endorsed by Government, I would suggest that manual servants of the class referred to in para 4 of the fo. under reply entertained, say from & after 1st January 1896 & those who do not hold their appointment permanently at present, ^{be} declared ineligible for pension. In these cases,

their salaries or wages will be met from contingencies, if provision has been made under that head for the purpose, or the necessary amount will be made available by transfer from the allotment made under 'Establishment'. In these circumstances I would point out that it is not practicable to submit a consolidated proposition statement such as that called for in the G.O. referred to above.

2. I shall issue the necessary instructions to all the officers of the Department on receipt of the orders of Government on this communication.

I have the honour to be,

Sir,

Your most obedient servant.
