attached to the countersigned detailed contingent
bill dated 14th April 1896 for Rs 2188-10-9, I have
the honour to request that you will be so good as

Copy of letter from the Principal, College of Engineering
dated 8th June 1896 No 57/S.

During the period that the College Workshop
Boiler was out of use, owing to the failure of its tubes a
small portable engine ^{was} hired from the P.W. Workshops at a rent
of Rs.10 per mensem.

2. The bill for the rent viz Rs.58-2-4 is objected to by
the Accountant General on the ground that the charge is an
unusual one; and that officer requests that the sanction of
Government may be obtained for the expenditure.

3. In requesting sanction for the transfer to the P.W.D
of this sum, I have the honour to observe that the expenditure
is for the most part only apparent, as a bill for Rs.46 has
already been paid by the P.W. Workshops for repairs executed
by the Workshop staff and students on the engine in question.
