Coimbatore, 1st July 1896.

Sir,

In the sub-registrar's office, Mount Road, many documents written in the Hindustani language which is, under Registration rule 1, one of the recognised languages of the sub-district, are presented for registration and two clerks who can read and write that language are required to be employed in that office, to copy documents in the registers and to examine the entries made therein with the original documents. The post of one of the Mahomedan clerk on a pay of Rs 17-8-0 has been vacant for some months and no person who has passed the necessary educational tests and who knows Hindustani and Tamil has been found for the post, though the vacancy has been advertised several times in the Fort Saint George Gazzette. It is necessary that the mahomedan clerks employed in the sub-registrar's office should know Tamil also, as most of the documents registered are in Tamil. From among the applicants, the District Registrar of Madras has selected one Khaya Kuttubuddin saheb who knows English, Tamil and Hindustani and writes a fair hand in those languages. He has not passed any examinations, though he studied up to the Matriculation examination standard. He is now employed as Registrar of Births and Deaths in the Erode Municipality and is willing to accept the post of clerk in the sub-registrar's office, Mount Road. In these circumstances, I have the honor to request that the Government

may

may be pleased to exempt Khaya Kuttubuddin from passing the Matriculation examination so as to render him eligible to hold a clerk's post in the Registration Department. As in the case of clerks in this department exempted from the Service tests, Khaya Kuttubuddin will not be eligible for promotion outside the grade of clerks in the Registration Department.

I have the honor to be

Sir

your most obedient servant

Munir Hafiz
Inspector-General of Registration.
