OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 15th July 1896.

No. 7494

Current No 878

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc., L.L.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to G.O.No 2649, Judicial, dated 20th December 1893, I have the honour to submit a copy of the comparative statement prepared by the Superintendent showing the financial effect of the departmental system of dieting the pupils of the Reformatory School, Chingleput. It will be observed from this that the departmental system resulted in a saving of Rs.2352 in round numbers. Taking into account Rs.452 the amount incurred in 1893 under the contract system, and paid in January 1894, the actual saving was Rs.2804. If from this were deducted all the charges incidental to the departmental system, such as the pay of the Ration Store clerk and the cost of the store room fittings and repairs amounting in all to Rs.637, the net gain would be Rs.2167. A larger saving would have accrued if the various articles (firewood excepted) had been purchased in bulk at the most favourable seasons of the year. This, the Superintendent reports, cannot be done at present for want of a granary to store a year's supply in. The arrangement that has recently been made with the District Forest Officer of Chingleput in regard to the supply of firewood will result in still larger savings.

2. The savings above pointed out and the consequent reduction in the average cost per head prove almost to demonstration that the departmental system of Rationing is, by far, the most economical. I would therefore strongly recommend its continuance as a permanent arrangement.

3. All articles are now invariably purchased for cash. The following statement shows the amount spent monthly during the last two years out of the permanent advance of Rs. 400 sanctioned in G.O. No 139 Judicial dated 23rd January 1894:-

X X X

Months	Total amount spent including cost of labour.		Cost of labour in grinding ragi and making curry powder.	
	1894	1895	1894	1895
January	384-4-5	345-7-4	23-10-6	24-13-6
February	322-6-10	333-5-1	13-12-0	17-9-6
March	368-13-5	309-12-4	17-1-0	20-0-6
April	346-13-0	336-0-1	25-9-6	19-2-0
May	340-9-5	318-13-0	18-8-6	19-4-6
June	305-8-9	304-8-2	20-3-0	16-1-0
July	377-11-6	326-6-11	16-10-0	20-13-0
August	329-5-2	348-4-7	22-11-6	19-9-6
September	306-9-3	303-0-0	20-5-0	18-14-6
October	316-5-7	364-8-7	18-9-0	19-14-6
November	325-11-10	304-1-6	20-1-0	18-8-0
December	283-13-8	292-8-2	15-1-0	15-10-6
	4008-0-10	3886-11-9	230-2-0	230-5-0

If articles are to be procured in bulk at favourable seasons a larger advance will be required. For the present it will suffice if the temporary advance sanctioned for two years be converted into a permanent one as requested by the Accountant General in his No I.B.F/13 dated 23rd January 1896.

4. The Superintendent has not yet been able to secure the services of a duly qualified man for the post of Ration store clerk. In view of the difficulty of getting a qualified passed man I would recommend that the salary of the post be fixed at Rs. 14 per mensem with effect from the 1st September next. This would enable me to confirm the present acting incumbent who has passed only the

Primary

Primary Examination, but who is well-fitted for the post.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. G. G.

Director of Public Instruction.
