GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

From Rao Bahadur V. KRISHNAMA CHARIAR, Registrar of Books, to the Director of Public Instruction, dated Madras, 26th August 1896, No. 200.

I have the honour to forward for transmission to Government printed copies of the catalogue of publications delivered for registration during the second quarter of 1896.

2. The total number of works registered during the quarter is 222, of which 161 have been classed as *books* and 61 as *periodicals*.

3. Distributed according to languages, 52 of the publications are in English, 42 in Tamil, 74 in Telugu, 12 in Malayalam, 12 in Kanarese, 1 in Konkani, 1 in Hindustani and 28 in Sanskrit including the bilingual works printed in the Grandha and Nagari characters.

4. About 23 per cent. of the publications catalogued comprise works designed for educational purposes.

5. In the last column of the catalogue are entered as usual brief remarks on the contents of most of the registered publications.

6. Enclosed is a statement containing the extract of entries of copyright registration in the case of 63 works whose proprietors have registered their proprietorship on payment of the prescribed fee except in the case of "South Indian Inscriptions," Vol. II, Part III, registered free of charge in the name of Government. The last entry in this list relates to a work delivered during the fourth quarter of last year, but only copyrighted during the second quarter of 1896.

7. I take this opportunity to explain with reference to the delay noticed in G.O., No. 371, of the 18th June last, in the submission of the catalogue for the quarter ending the 31st March last, that the delay was due to no neglect on the part of this office. It was caused by two exceptional circumstances, viz. :—

(1) The non-issue of the last weekly number of *Fort St. George Gazette* on the 26th of May owing to the intervention of "Whitsuntide Holidays" though the manuscript had been set up and quite ready for striking off on the 25th of that month. As soon as it was published as a gazette supplement on the 2nd June, I lost no time in forwarding copies of the same for submission to Government.

(2) Next the catalogue necessarily took some time to reach you and the Government when you were away on a tour out of Madras. It will thus be seen that the delay was due entirely to unforeseen circumstances and may not recur.
