BOARD OF REVENUE (LAND REVENUE), No. 299, 6TH AUGUST 1896.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

READ—the following letter from A. C. TATE, Esq., Collector of Cuddapah, to the Secretary to the Commissioners of Land Revenue, dated 28th June 1896, Ref. on Cur. No. 861-Press:—

I have the honour to enclose a copy of letter from the Director of Public Instruction, No. 5547, dated 19th May 1896, and to enquire, with reference to paragraph 5 of Board's Standing Order No. 152, whether his suggestion meets with the Board's approval and may be acted upon.

2. I presume there can be no possible objection on the Board's part, but the standing order and appendix will require a slight modification.

ENCLOSURE No. 1.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Collector of Cuddapah, dated Madras, 19th May 1896, No 5547.

I have the honour to state that, in consequence of the non-publication of lists of results schools, Educational officers, to whom the District Gazettes are now supplied, are no longer in need of the full Gazette and that it will suffice if separate supplements containing proceedings of the district boards and municipalities and all educational notifications alone are published for distribution to these officers.

2. Government was pleased to approve in January 1895 of the publication of all educational matters as a separate part of the *Fort St. George Gazette*, viz., Part I-B., with a view to place the educational portion of the Gazette within the easy reach of all interested in education.

3. I request therefore that you will be good enough to arrange for the similar publication of separate supplements of the District Gazette.

RESOLUTION—No. 299, dated 6th August 1896.

The Board agrees with the Director of Public Instruction in considering that Educational officers need no longer be supplied with District Gazettes in full, but that it will be sufficient to supply them with the Proceedings of municipal councils and local boards and with the Educational sheet of the District Gazette. An examination of the District Gazettes received in the Board's office shows that the Proceedings of municipal and local boards appear as supplements in all District Gazettes, but matters relating to education are not kept separate in all districts from the rest of the Gazette. All Collectors are requested to arrange in future for the separate publication of educational sheets in connection with their District Gazettes.

2. Standing Order No. 152 (new edition) and the appendix thereto will be amended accordingly.
