From the Government of India, P.W.D., No. 1918 G., dated 31st July 1896:-

I am ~~directed~~ directed to acknowledge the receipt of your letter No. 1712 W., dated 9th June 1896, regarding the appointments to the Engineer Establishment from the Madras Civil Engineering College in the year 1896.

2. In reply I am to state that the Government of India understand that the appended statement represents the matter correctly, that is to say, the number of appointments guaranteed to the College, viz., one annually, has not been exceeded, although, owing to the change in the rules in regard to the period of ~~practical~~ practical training, and also to the appointment to the Department of one Apprentice Engineer under the Provincial Service Rules on 1st January last, the actual appointments to the Department in 1896 are three in number.

3. On this understanding the proposal to confer a 3rd appointment on 1st July 1896, on the student who obtained a guaranteed appointment in December 1894, is approved.

Order thereon: No. 2521 W., dated 28th August 1896.

Recorded with the remark that the statement appended by the Government of India is correct. The sanction conveyed in para 3 of the letter will, accordingly, be acted on, and the student who successfully competed for the guaranteed appointment in December 1894, will be brought on the strength of the
