From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., L.L.D.,
DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

Sir,

In paragraph 13 of my letter No 10313 recorded in G.O.No 830, Educational, dated 13th November 1893, I requested that the Government of India should be asked to reconsider its decision not to grant acting promotion and allowances from grade to grade in the Provincial Education Service in the light of the facts therein urged. I do not know whether Government supported my recommendation. In paragraph 4 of its despatch to the Secretary of State, No 351 of 1895, just communicated by Government with its order No 480 Educational dated 10th August 1896, the Government of India wrote "We have accepted the view of the Government of Madras that in that Presidency the Provincial Service may be organized by grades, on the basis of pay." This probably means that the Government of India would treat the Provincial Education Service as comprising distinct grades and one to which article 124 would apply. As the matter, however, must be made clear, I have the honour to request that a reference be made to the Government of India, by wire if necessary, to enable me to submit my recommendations in connection with the scheme now sanctioned. The information will be of much use to me in fixing the position of individual officers in the newly

FOR ORDERS.

In the scheme for the reorganisation of the Ed. dept. it was proposed by this Govt. that the various grades in the Prov. service should be regarded as distinct classes for the purpose of Art 155 of the C.S.R. and that definite pay should be regarded as attached to classes and not to definite appointments, this rule being subject to the condition that no Professor or Inspector should be appointed on a salary of less than Rs 500 a month - vide para 4 (g) & (i) of G.O. no 33 Ed. & 21st January 93. This proposal the Govt of P. refused to sanction in para 15 of Mr. Lyall's letter recorded in G.O. no 646 Ed. & 4th Sept 90. And on the motion of the D.P.I.

this Govt asked for a reconsideration of the decision - though it was convinced that the Govt of I. would not yield. - vide para 8 of letter no 831 Ed 8/13th Nov. 93 & page 8 of the note for orders in the original G.O. The Govt of I. has not reconsidered the matter & the D.P.I. now requests that it may be ascertained by wire whether the Govt of I. would treat the different grades in the Prov. Service as distinct classes. ~~The sentences which the D.P.I. quotes from para 4 of the Govt of I. despatch does not appear to be to the point. It means that the Prov. Service in Madras has been organized on the basis of pay rather than on the nature of the offices held. It is submitted that there is therefore no necessity for a reference being made to the Govt of I.~~

FOR ORDERS.

H. E. THE GOVERNOR.

THE HON'BLE MR. H. W. BLISS, C.I.E.

THE HON'BLE MR. J. GROSE, C.I.E.

The point which Dr. D. apparently appears to have in view is as follows:- The idea of getting the various grades in the Service recognized as distinct classes under sect. Art. 125 was solely to enable men to draw $\frac{1}{5}$ th acting allowance when acting in a grade higher than their own. This was refused. The Govt. of India, in para 4 of its despatch quoted, has however referred to the Madras service as a "graded" service & Dr. D. therefore thinks it would come under Art. 124 (3) of the C.S.R. & that $\therefore$ the acting allowances admissible under Art. 125 w^d. be available to officers of the Dept. The Govt. of India has never given its actual reasons for objecting to the Govt's proposals in this matter & it is perhaps just possible that it might agree to granting acting allowances under Art. 125. ~~There is~~

acting allowances were thought by this Govt. to be very important when the scheme was originally sent up. If India is addressed it is, however, submitted that this Govt. should put the matter in a more open way than Dr. Duncan has done.

I am afraid that it would be useless to attempt anything further with the Govt of I. as it has made up its mind and is not likely to alter its mind.
7/9/96

I quite agree that the Govt. of India appears to have made up its mind; but we had better refer & make quite certain. Our view here will be put in context.

I have no objection —

I think the reference to the Govt. of India should be made.

Sir,
In para 4 (i) of the Proceedings of this Govt. which formed an emb. to Mr. Galton's letter No. 34. Dated 21st Jan. 1893. ~~that~~ it was brought to the notice of the Govt. of India that this Govt. considered it most important that in the reorganization of the Madras Educational Service the various grades should be ^{declared to be} distinct classes for the purposes of Art. 155. C.S.A.

in order that they might be enabled to draw the acting allowances referred to in that article when officiating in the grade above that to which they belonged substantively. In para 15. of Mr. Lyall's letter No. 239 (Education) dated 22.8.93 the Govt. of India declined to sanction this proposal, though reasons for the adoption of the course were not given.

C. S.

2. The point was again brought to the notice of H.E. the G. G. in C. in para 8. of my letter No. 831. Educational dated 13th Nov. 1893, but the Govt. of India appears to have maintained its former opinion.

3. The despatch of the Govt. of India to the S. of Bats on the subject, No. 351 dated 11th Dec. 1895, ^{however} treats the Madras Service as it will be constituted after the reorganization as a graded service, and as such its ~~would~~ members would appear from Art 124 (3) of the C.S.R. to be entitled to the acting allowances referred to in Art. 125. When officiating in grades above their

Substantive grades.

4. I am ~~anxious~~ directed to solicit orders as to whether this presumption is correct. It has already been brought to the notice of the Govt. of India that the refusal of all acting allowances between grades will create a considerable amount of discontent in the reorganized service.

5. As the decision upon this point which may be come to will largely affect the proposals of the Director of Pub. Instn. for the introduction of the reorganization ^{scheme}, it is of importance that these should be submitted as early as possible. I am to request that the orders of the Govt. of India may be communicated by wire.
