WESLEYAN MISSION COLLEGE,
ROYAPETTAH,

Madras, August 22, 1896

Mirza Ghulam Husain Sahib is well known
to me as a pupil in the Third and Fourth Forms of
this College during the years 1892, 3 & 4. I under-
stand that he has applied to Government for the exemp-
tion from passing a general Education Test, as a condition
of employment in Government service, which has been given to
some other members of the Carnatic family. He is a
young man of good general intelligence & since he left
this College he has continued his studies under a private
tutor. He is also a young man of active habits. In my
opinion he is qualified for those departments of service in
which fair intelligence along with physical activity are the
chief requisites.

James Forlin B.A.
Principal

Wesleyan Mission College, Madras.

I beg to

Paymaster Carnatic Shipends
Office Chepak 28th August 1896

From,

Colonel R. S. Stewart I. S. C.
Paymaster Carnatic Shipends
Chepak.

To,

The Chief Secretary to Government
Fort St. George.

Sir,

With reference to your Memorandum No. 1663, dated 7th Instant "Educational" referring for my remarks a petition in original from Mirza Ghulam Husain praying for exemption from passing the general Education test, I have the honor to state that the applicant (with whom I am personally acquainted) is deserving of the privilege he seeks, both by his high connection with the Carnatic family (which is as he describes) and the position he holds in the Mussulman community. The enclosed certificate from the Principal of the Wesleyan Mission College, Madras, speaks about his general conduct and lingual attainments. Mirza Ghulam Husain is a good Persian scholar.

2.

Under the above mentioned circumstances I beg respectfully to recommend compliance with his request with a view to his being eligible for the Public Service and appearing for Special Tests which he could not do unless he is exempted from passing the Upper Secondary Examination a privilege that was conceded to persons in similar cases.

Herewith returned
