Lo,

His Excellency the Right Honorable
the Governor in Council,
Fort St. George,
Madras.

The humble petition of Syedethamed,
delayath, in the Additional District Court of
Canton, Calicut,

Most respectfully Sheweth,

With every mark of deference
and humble submission, the petitioner begs to
bring the following lines from Your Excellency
Kind Consideration, and favorable orders,
fully believing that justice will be metted
out.

That the petitioner respectfully ventures to submit that he appeared in 1892 for the Lower Secondary Examination privately and although he managed to pass one of its optional branches, he failed to secure the required minimum in the Compulsory Subjects. That the marks he scored only fell short of the required minimum by two marks. That when he again appeared for the Examination, he was given to understand that he ought not to have appeared again for the Examination in the Subjects in which he had already passed in the examination. That he has passed the Primary Examination and the Annual Examination in the Lower fourth Class (ie) the present Second Form That

his

his statements may be verified to the answer
papers of the years 1892, and 1893. These
register number is 393 in 1892 and 1510 in 1893.
To this effect he sent a petition through
Superior to ^{the Commissioner for Government Examinations} exempt him from the examination.
On the 4th of July 96, he received an order
107, dated 10th July 96, stating that his request
5. D cannot be granted. After that, he sent an
application on the 24th July 1896, to exempt
him from passing the Lower Secondary
Examination, for which, he received an
order, stating that the petitioner should
address the Government and that the
Commissioner has no authority to exempt
any Candidate from any of the examinations.
Copies of the orders of the Commissioner are
herewith submitted.

That the petitioner, therefore,
most humbly begs to submit that G.O.
no. 88, Educational of the Revised Notification
of 28th April 1896, under head of Public Service
Notification, art 1, Note 5, of the Fort. St. c
George, Gazette, states that the Lower Secondary
Examination is accepted as equivalent to
the Primary Examination.

That the petitioner is a poor
Mahomedan and is not able to prosecute
his studies on account of his pecuniary diffi-
culties.

That the petitioner, therefore, most
respectfully begs that he may be exempted
from passing the Lower Secondary Examination
for which act of kindness and charity, the
petitioner, shall as in duty bound, ever pray.
