Govt Scholarship to England

Ed DEPARTMENT.

C. No. 929 of 96.

FOR ORDERS.

In 1886, the Govt of India created six Govt. Scholarships tenable in England by natives of India and placed them at the disposal of the several Indian Universities. And it was left to the universities to consider whether a special election should be held for the ^{choice} election of the Scholars or whether the election should be made on the results of its ordinary examinations - vide G.O. no. 116 Bd. & 26th Feb. 1886. The University of Madras elected to hold a special examination for the award of the Scholarship - vide G.O. no. 166 Bd. & 30th March 1887. In the current under notice the Syndicate states that the Madras University is, under its Act of incorporation, precluded from providing funds to meet the charges

Charges connected with the Special examination held for the award of the Govt of I. Scholarship. The Syndicate seems to base their contention on Section VIII of the Act. - vide para 2 of the D.P.'s letter printed in G.O. no. 958 Public & 20th Nov. 1895. If the Govt agrees with the Syndicate, the University may be told to frame rules for the award of the Scholarship on the results of its ordinary examinations. The Govt. of India's sanction to these wd. be necessary. -
