OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 11 September 1896.

No. 10059

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., L.L.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE,

SIR,

The building in which the Government Training School, Nellore, is located is now urgently required by the District Board, whose property it is, it being wanted for the office of the Board's Engineer. The President suggests that the building formerly occupied by the Training School when it was under the control of the Board, now vacant, may be utilized for the school, any necessary repairs being executed by this Department, and that, until those repairs are carried out, it may be removed to the rented building in which the office of the District Board Engineer is at present held. The Assistant Inspector Presidency Division — who was asked to see if any other suitable building was available, reports that the rented building above referred to is the only building in Nellore that will be suitable for the school. With regard to the old Normal school building, the Headmaster is of opinion that at least Rs. 2000 will have to be spent on repairs and improvements, before it can be occupied, and I am, consequently, now asking the President whether the Board will transfer the building to this Department on the same conditions as those on which the Training school building at Coimbatore has been transferred to Government. Pending the provision of suitable accommodation, I have the honour to request that Government will be pleased to sanction a house-rent of Rs. 30 per mensem for the school, this

being the amount paid by the Board for the building now occupied by the Engineer. The charge will be met from general savings in the allotment for training schools for masters.

I have the honour to be,

Sir,

Your most obedient servant,

J. Duncan

Director of Public Instruction.
