OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 4th September 1896.

No. 9713

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

Several students of the Teachers' College, Saidapet, having expressed their intention of preparing for the Intermediate and Advanced Technical Examinations in Drawing, if a Special Drawing Class were opened in the College itself, the Drawing Master of the Teachers' College proposes to open an evening class to be held in the College Hall for the benefit of such students, a fee of eight annas per mensem being paid by each student. In supporting this proposal, the Principal recommends that the Drawing Master be allowed to appropriate half of the fee receipts as remuneration for his extra labour, the other half being credited to Government. In view of the fact that the students find it inconvenient to attend both the Teachers' College, Saidapet and the School of Arts, Madras, which they have to do if they want to prepare for the higher examinations in Drawing, and of the desirability of encouraging students in their endeavours to improve their knowledge in such an important subject as Drawing, I beg to recommend that the above proposals be approved and sanctioned as an experiment. A similar arrangement for the holding of technical classes in the Mangalore College has been sanctioned by Government (vide No.
