Note.
This is not the usual
course, but the rules permit of
purchases of this sort in India
"when for any special reason it
may be more economical".
It will take 6 months
at least to get this machine
from home. Its use is said
to be likely to save Rs. 10 per
month. So by the time it is
arrived from England half its cost
has been saved by its
purchase here

DIRECTOR OF PUBLIC INSTRUCTION,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to request that you will be good enough to obtain the sanction of Government for the purchase at Messrs Oakes and Co, Madras, of a No 00 New Patent Rapid hand-power mill for the Reformatory School, Chingleput, at a cost not exceeding Rs 120.

2. The introduction of the machine for grinding ragi, is expected to result in a saving of about Rs 10 a month while improving the quality of the grinding. The Superintendent reports his inability to get the necessary particulars so as to prepare an indent on the Secretary of State. Messrs Oakes and Co, who appear to have supplied some mills already to the Superintendent, Inspector General of Prisons, seem to have refused to

...the requisite particulars.

3. The cost can be met from the provision for furniture and apparatus in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant
