SIR,

With reference to the Trust deed relating to the Timmarapu Venkataswami's Scholarship Endowment forwarded to me with your endorsement No 1578 dated 7th ultimo, I have the honour to observe that the wording on page 2 does not appear quite suitable. The donor has not invested a sum of Rs 12,000. I have bought for him paper to the nominal value of Rs 12,000. The mention of the Government Supplementary Grant

As a Trust deed is a bill. The wording is surely ~~not~~ clear enough.

seems improper. It apparently requires
a separate deed. I presume Government
does not give the paper to the donor
but independently creates a trust upon
identical terms.

The deed let go
to make one trust
under one act.

H.G.'s difficulty is not clear

Page 3. 'Safe custody.' I think provision
must be made here for the drawings
of the interest by me. Page 5. 'Payment
by the Accountant General.' The
wording should be to the effect that the
trustees will instruct the Accountant
General how to apply the interest he
draws. Provision should also be
made for a rateable diminution in the
scholarships, should the rate of interest
fall.

it is clearly implied

The Don says
implies this in
half a dozen places
Mrs. G. 1/2

The Don provides
for payment of the
scholarships "out of
the said interest".
If the interest increases
the scholarships must also
the trustee must see to
this when the time
comes. They may
