PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the Consulting Architect to Govt No. 2916 dated 3rd September 1896

With reference to G.O. No 1721 W dated the 10th June 1896, I have the honour to state that I represented to the Superintendent of the Government Museum that the raising of the gallery railing from 3 ft to 8 ft will greatly mar the appearance of the handsome book cases and that the cost of the work would amount to about Rs 7000. I suggested that a short staff may be fixed to the ladders now in use which the men can lay hold of as a protection against over balancing.

2. I herewith enclose a copy of the reply from the Honorary Secretary Madras Literary Society.

With reference to your letter No. 722 dated 21 August 1896, I have the honour to inform you that the addition of a small staff to the ladders as proposed by the Ag. Consulting Architect to Govt may be tried for the present.

The drawing of the cases & railing as they are at present, is herewith returned.
