Sir,

I am directed by the Marquess of Salisbury to transmit to you the accompanying copy of a despatch from Her Majesty's Ambassador at Vienna forwarding a request of Baron Josika, the Hungarian Minister "ad latus," that letters of recommendation to the British authorities in India may be furnished to Monsieur Emeric de Szalay, one of the Hungarian Deputies, and to his companion, Monsieur Jules Madarász, Custodian of the section of Natural History in the National Museum at Budapest, who start for India early next month with the object of procuring specimens for the completion of the collection of the museum. Monsieur de Szalay also desires permission to shoot with the above-named object.

Sir E. Monson, No. 362.

Lord Salisbury is aware that it is not the custom of the India Office to grant letters of recommendation but he would be glad if the wishes of the two gentlemen in question could be brought by the Secretary of State to the knowledge of the British authorities in India, with a view to their being furnished with such facilities as it is usual to grant in such cases.

My Lord,

I have the honour to enclose copy of a letter from Baron Josika, the Hungarian Minister "ad latus" requesting me to obtain for one of the Hungarian Deputies, Monsieur Emeric de Szalay, and for his companion, Monsieur Jules Madarász, Custodian of the section of Natural History in the National Museum at Budapest, who start for India early next January, letters of recommendation to the authorities in Her Majesty's Indian dominions to facilitate their task of procuring specimens for the completion of the Natural History collection of the museum.

Monsieur de Szalay is particularly anxious to be provided with authority for shooting with the above-mentioned object.

Baron Josika recently called upon me and made this request verbally, but was not then quite certain as to the official who would be sent by the Directors of the Budapest Museum. I begged him therefore to renew his request in writing as soon as he received the name; and I now venture to recommend it very warmly to your Lordship in the hope that you will be so good as to move the Secretary of State for India to comply with it as fully as possible.
