No. 2819

From

Y. C. Harrison Esq.,

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Educational Department.

SIR,

With reference to paragraph 3 of Government Order No. 437 dated the 17th of July 1896 - granting the Director of Public Instruction general permission to transfer peons from one Primary School to another, I have the honour to point out that the transfer of a peon from the staff of ^{one} ~~an~~ _{re} school to the staff of another when there is no provision for one involves a change in the scale of Establishment of the latter school and therefore contravenes Article 57 of the Civil Account Code, which prescribes the procedure to be adopted in such cases.

I have the honour to be,

Your most obedient servant,

Y. C. Harrison

Accountant-General

FOR ORDERS.

The Act. Genl. as usual, has an account rule to block the way. According to his rules it is impossible to transfer a person from one fiscal school in the Godavari agency to another without the sanction of the Local Govt., & it is submitted that this is pushing centralization beyond the verge of the ridiculous.

The simplest way of circumventing the Act. Genl. & his rules seems to be to declare the ^{establishments of the} Govt. Prim. schools in the three agencies to be first schools & to so enter them in the Budget. (They are at present merged with all other ^{govt.} Prim. schools, pp. 118-121. of Civil Budget Estimates.) The D.O. could then be allowed to transfer affls. from one school to another. This has been done in the case
